SMILING JACK'S

Brings You 70 Years of Know How

WITH

LEONARD

REFRIGERATORS AND RANGES!

Get LEONARD

the **ONE** with Everything!

YOU GET AUTOMATIC DEFROSTING WITH LEONARD REFRIGERATORS

Leonard refrigerators are cold from top to base . . . More usable "cold" space and bigger on the inside . . . yet no bigger on the outside than ordinary refrigerators. Best of all it's backed by Leonard's 70 years of experience and proven dependability!

YOU GET TWO HUGE OVENS WITH LEONARD'S ELECTRIC RANGES!

Leonard ranges are the latest in streamlined electric cooking . . . with the exclusive "Automatic Meal Minder." It turns on the current, times the cooking and shuts off automatically when the meal is done. It's the big buy . . . the beauty buy in electric ranges!

Model LER-9D Illustrated

The **ONE** with everything is the **ONE** for you!

This marvelous Leonard has all the features you've wanted—and works wonders for cooking! Bake 6 pies or all 4 layers of a cake in one oven without shifting a pan! Get accurate results always from 7 exact surface heats!

Only **1725** Month

 Delivered and installed in Your Kitchen

2 Huge Ovens!

Far bigger than ordinary! Bake, roast, broil—all at once! Get heat distribution so perfect you never shift pans!

"Automatic Meal-Minder"! Cooks full meals automatically. Sets you free from oven-watching!

Faster Heat-up Speeds! Four high-speed surface units! Broilers heat in 10 seconds! Right-hand oven hits 350° in less than 5 minutes!

7 Exact Surface Heats! Choose from 7 heats on any unit—instead of only 5! Each heat is measured—always the same!

"Coloromatic" Controls! A different, colored light for each of 7 surface heats! No more errors! Check heats across the room!

Thrifter! Easy to Clean! Use only the heat you need! More heat goes directly to foods . . . avoids waste! Surface units and interior are easier to clean!

Full-Width Storage Drawer! Big space for all your utensils, right at hand!
