

Post-Season Tilts Approved

NCAA Unanimously For Bowl Contests

WASHINGTON (AP) — The National Collegiate Athletic Association (NCAA) approved the continuation of post-season football bowl games Friday. It expressed its favor by a voice vote, and there wasn't a single "no."

The action came in the adoption of a report and recommendations made by the NCAA extra events committee.

Among the bowl game recommendations made by the committee to the NCAA convention:

Limit Practices — Limit the number of practices each team may have before a game, limit the successive appearances a team can make in a bowl, arrange for a wider distribution of gate receipts, try to avoid such abuses as excessive complimentary tickets and excessive awards to participants, and avoid pre-game emotional demands on the players.

In none of these recommendations did the committee spell out precisely what it had in mind.

WASHINGTON (AP) — The National Collegiate Athletic Association (NCAA) overwhelmingly adopted a program of strict controls for televising football next season Friday.

The vote was 172 to 13.

The outcome meant that football television fans will see approximately the same number of collegiate games next fall as they did last season when one game a week was telecast nationally.

This allows only one network appearance for any college football team, but provides some leeway on regional games.

No school will be able to make any TV commitments pending the committee's working out 1953 plans.

No fireworks preceded Friday's vote.

Notre Dame and Pennsylvania, long the leading opponents of controlled television, again offered the only vocal opposition.

Close 67-66 Verdict . . . Parrish Forces Snare Honors in Junior 'Jam'

The three Parrish entries teamed together Friday night to edge out the rest of the field by a hair-thin 67-66 margin in the annual Junior High School basketball jamboree held on the Parrish floor before an overflow crowd.

A 21-17 Parrish Cardinal victory over the Leslie Blues in the final mix of the evening provided the Parrish forces with their margin.

The program included three games, each of which comprised two eight-minute quarters.

In the night's first contest Bill Hanauksa's West Salem Giants pushed the anti-Parrish side into the fore with a 28-22 decision over the Parrish Greys. Bales with 11 and Davis with nine, sparked the Giants and Syring was high for the Greys with 11.

Next came the Parrish Pioneers with a 24-21 verdict over the Leslie Golds. Pigsley and Michaelis each scored seven to lead the Pioneers, while Carlton hit nine for the Golds.

The Cardinals then sewed it up for the Parrish blues with the win over the Leslie Blues. Tom's six points was top for the Cards and Allen led the Blues with six.

Annual NCAA Hoop Tourney Field Boosted

WASHINGTON (AP) — The National Collegiate Athletic Association (NCAA) adopted Friday a revised plan for the National Basketball Tournament which will permit an entry list of 23 teams instead of the usual 16.

The group also approved the plan for limiting the tournament to teams which play in no other post-season tournament.

This knocks out those teams playing in the National Invitation Tournament at Madison Square Garden and the NAIA event sponsored by the National Association of Intercollegiate Athletics.

In raising the entry list to 23, the convention took in four extra conference champions, raising the automatic entries from 16 to 14, and allowed the draw to be completed with nine teams picked at large.

The tournament opens March 9 with first games to be played at selected sites convenient to participants.

With the field reduced to 16 teams the tournament moves to regional sites which are DePauw University and North Carolina State in the East and Kansas State and Oregon State in the West. These games are scheduled for March 13 and 14.

The semi-finals and finals will be held at the Municipal Auditorium in Kansas City, March 17-18.

New conferences admitted were the Mid-American Conference, Middle Atlantic Conference, New England Conference and the Rocky Mountain Faculty Conference.

Ex-Boxer Tops Crosby Field

PEBBLE BEACH, Calif. (AP) — Square-jawed Pete Fleming, a one time pro boxer who turned to belting golf balls, scored a decision over a classy field Friday with a six-under-par 66 in the first round of the \$10,000 Bing Crosby Pro-Amateur Golf Tournament.

Fleming, who had 78 fights as a welterweight prior to his professional golf career, turned in a masterful job in the initial 18 of the 54-hole event sponsored annually by crooner Crosby.

Breathing down the leader's collar were three tough and tested campaigners, former U. S. Open champion Lloyd Mangrum, Jack Burke Jr., and Jim Ferrier. All posted 67.

Among the Pacific Northwest entrants, Roy Moe of Spokane, Marvin "Bud" Ward of Great Falls, Mont., and Chuck Congdon of Tacoma, came in with 70s.

Al Zimmerman of Portland, Ore., was in the next bracket with 71.
