152 Cascade Area Scouts to Visit Jamboree

A total of 152 adults and Boy Scouts of the Cascade Area Scout Council will attend the national scout jamboree next summer in California, the Salem scout office reported Saturday. This area's contingent will consist of four troops of 35 scouts and three leaders each. The jamboree will be held July 17-23 at the Irvine Ranch, Santa Ana, Calif. "Approximately 50,000 scouts and Explorer Scouts of all colors and creeds from the United States and all other free nations will participate in this great show of world youth brotherhood," said Gordon Gilmore, council scout executive.

Tentative plans call for local scouts to leave Salem on July 11 and arrive in San Francisco early the next day. The scouts will tour San Francisco and leave that night for Santa Ana. Upon arriving at the jamboree grounds on July 13 the scouts will set up their campsites and participate in a one-day training session. July 14 to 16 will be given over to tours of Southern California and Mexico. Tours will include the large U.S. Marine and Navy bases at San Diego, aircraft plants, television and movie studios, Mt. Palomar and other points in California and Mexico. The jamboree will officially open on July 17. Preliminary plans call for President Dwight Eisenhower to open the sessions. Jamboree officials have estimated it will require more than 1000 special trains to transport "this greatest assembly of free youth in the world" to the jamboree site. And it is calculated that the boys will require 2,000 tons of luggage, 40 freight-car loads of charcoal for cooking, 100 tons of meat, and 175,000 loaves of bread. Trunk and branches of a tree grow in length solely at their tips.

To Visit Salem

Gerald Bailey, Quaker representative to the United Nations, who will appear at two public meetings in Salem Tuesday.

Quaker Plans Talks Here on United Nations

The second meeting will be at 8 p.m. in Waller Hall on the Willamette campus.

While in Russia, the Quakers were given a wide latitude in making investigations. Their tour included visits to collective farms, a coal mine, museums, a housing development and even a Russian prison. They also talked with Russian religious leaders, both Protestant and Catholic. They conferred with Joseph Malik and other Russian government leaders. Appearing under the auspices of the American Friends Service Committee, there will be no admission charges. Committee in charge of arrangements here include, Dr. Paul Poling, pastor of the First Presbyterian Church; Dr. John Rademaker, sociology professor at Willamette; and Arthur H.
