800 Real Estate

20 ACRES

Here is a very popular sized property in a much wanted location, North and East. There is a school bus by the door, ½ mile to stores. The house is very modern, but only about 80% complete (2 bedrooms). Almost anything can be raised on this farm, from sugar beets to "sugar" berries, and the owner is no longer able to care for such a large place, so he wants to trade for one or two acres of ground with a livable house that can be improved. Full price only $15,000.

Suburban South

This home is well planned for today's living: 3 bedrooms, long living room, ideal for a large screen television set, efficient kitchen with natural birch woodwork, in an excellent, growing residential area, priced below appraisal at only $12,500. Forced air heat and fireplace.

Equity for Sale
