Farm, Nurse Roles Appeal To Students

By JEAN RAMAGE Statesman News Service

WOODBURN - Farming and nursing rated high as vocation choices for Woodburn High School students at their first "career day", held at the school Wednes-

The event was sponsored jointly by the Rotary Club and the high school and met with such an enthusiastic response that it is planned to make it an annual

There were 35 counselors present, representing almost as many fields of business and professional life, to relate their own experiences and to answer questions relating to their career choices. Several counselors were Woodburn people, considered outstanding in their particular field, with the remainder representing some of the best counsel outside the

Reception Held The program opened with a reception for the guests and a special greeting by school's service club, with refreshments served by Mrs. Al Ringo, home eonomics

cipal, introduced Frank Doerfler, superintendent of Woodburn public schools, who in turn introduced the counselors.

Glen Weaver state guident

Glen Weaver, state guidance director for the State Department Plans Talked of Education, spoke on the importance of adult guidance in helping young people choose a vo-

The students then separated into groups with the career counselor of their choice-with each student given the opportunity to meet with three chosen counselors before the afternoon activities were concluded.

Woodburn Speakers Woodburn people participating in the program were; Harold Eichenstedt, law; Dr. Gerald Smith, medicine: V. J. Eaden, bakery; Arvid Ostrom, barber; Mrs. Vern Coleman, beautician; P. C. McLaughlin, bookkeeping and accounting; Dean Bishoprick, business; Geo. Omans, cabinet making and carpentry; Mrs. O. L. Withers, homemaker; O. L. Withers, lumber work; Joe Sowa, machinist: Tony Painter, professional golfing; Ed Coman, newspaper; Winton Hunt, selling; N. F. Tyler, trucking; Dr. Glen Schwenke, veterinary work, and Ernest Livesday, logging. From Out-of-Town

Salem included H. F. Sweeney, airline pilot and stewardess; Art Rehm, auto and airplane mechanie; Mrs. Bea Yeary, Martha Morrison and Edith Holman, nursing and social work; Mrs. Echo Yeater, photoghaphy; Mrs. Agnes Booth and Miss Mary Bowman, education.

Others included Ivan DeAr-Dick Gentzskow, Silverton, pro-

O. L. Withers and J. F. Lacy in preparing the career day. They worked with a committee of high school teachers which included shall Barbour and Benton Dailey. finish.

First Navajo Class to Graduate at Chemawa

CHEMAWA - The Chemawa Indian School will graduate its first class of Navajo students at commencement exercises here on

They have taken a special five-year course here. Most of them had little or no formal education when they came to the spacious Chemawa campus, four miles north of Salem, as 14-year-olds five

There were only a big handful in the first class, and 26 of them will graduate next month. They have received a highly-accelerated program, pointed at preparin them for jobs.

School Responsible Chemawa School is responsible for seeing that all students find employment on graduation.

Mrs. Nell Brannon, principal, reports that nearly all are lined up for, work already. Some will work at the Boeing Aircraft plant near Seattle. Others will become sign painters, cobblers, farmers and domestic workers.

The Navajo program has been stepped up a little each year. Next year's graduating class will be much larger. All told, there are 250 Navajos at Chemawa this

Graduating with the 26 Navajos will be 10 students from Northwest tribes who are completing a conventional high school education.

Among these, valedictorian honors go to Augustine Phillips, a Yakima maiden from White Swan, Wash. Salutatorian is Imogene Washingston of Seattle, a Skagit-Yakima.

Commencement speaker on May 15 will be Martin N. B. Holm, Portland, who will return to Chemawa where he was superintendent until last fall. Holm now is area director of Indian

Baccalaureate services will be held May 10 at Chemawa. The Rev. Edward Spear of Benedic-tine Abbey, Mt. Angel, will

Serviceman Shot While On Furlough

Statesman News Service MONMOUTH-William Lofting is anxious to get back to the

service-where it's safe. While on furlough here week he went out to the Russell Alsip farm near town to hunt greydiggers. He had to sneeze, so put his .22 rifle down on a stump on which he was standing. The rifle slipped off the stump, went off and shot him in the left hand. The bullet passed through his third finger and passed through the fleshy part of his

palm near the thumb. He was to have gone to Maryland for futher training, but was given a furlough extension fol-lowing which he will return to San Diego where he has just completed boot training.

Hunting with him was his brother, James, who was home on leave from Whidby Island, Wash., where he is stationed with the Navy. They are sons of Mr. and Mrs. Fred J. Lofting.
