Feller's One-Hitter Beats Axemen, 1-0

CASCADE HIGH SCHOOL-(Special)—Danny Feller hurled a brilliant one-hit game Saturday as Cascade High's Cougars won a State Prep Tournament berth with a resounding 1-0 upset win over the highly favored Eugene Axemen in an intra-district playoff mix.

The Cougars belted out six hits off Jack Henkel, touted Eugene twirler who was one of the standouts in last summer's State Legion Tourney. Cascade got the only run of the contest in the third inning.

The precious and sole marker of the close tilt was started on its way when Feller himself singled. Larry Gower then sacrificed the Cougar hurler to second and Feller went on to third via a single by Bill Brown. Catcher Howard Speer then grounded to Axemen First Sacker Don Ames, who booted the ball, permitting Feller to cross the dish.

Feller fanned eight and walked one during the seven innings and Henkel whiffed 11 and gave nary a free pass. Not a Eugene man got past second during the con-

Maury McDermott turned the Indians back with only two hits and George Kell lashed a solo home run off Bob Lemon for the run McDermott needed.

Bob Porterfield, Washington ace righthander, won his fourth straight game as he shut out the St. Louis time this season.

Billy Hoeft was credited with his third victory for the Tigers, ever though he had to leave with a sore arm in the fifth inning with Detroit ahead, 4-1.

Perseverance and Effort Pays Off for Del

It's always nice to achieve a goal in any line, and especially so if one works hard for it. Thus it's entirely probable that Del Ramsdell, coach of the Salem High tennis team is feeling right good about his recent accomplishment. His Vikings the other day won the state high school tennis championship, a long-sought harvest for Del.

It wasn't but a few short years ago that tennis as an organized sport at the Vik Villa was nil. Even the kids who were a little interested in it, didn't have a decent place to play. Then along came Ramsdell. He figured there was room for the net game on the Salem High agenda, and for the numerous teen-agers in Salem during the summer months. It took some real work to get the project under way, but Del labored long and hard at it. At times it must have seemed to him that he was the only one in town anxious to see the sport thrive here.

All the work and determination paid off for Del the other day when his kids copped the state championship.

So good has Ramsdell done his job that now there are many more kid tennis players in town than there are places to allow them to play. And this is getting to be a nasty problem-one that should be solved via construction of more tennis courts.

The home run wallop delivered by Lewiston's Ken Richardson Gregg.r over the 378-foot center field wall at Waters Field last Tuesday Springer,3 night was the first such drive to clear that distant barricade since Rousing Richard Greco left the league for greener pastures back in 1950.
