 June 10 .

Spring Drills May Get Gate PCC May Also Junk
Freshman Schedules SEATTLE U- The Pacific Coas
conference may do away entirely eliminnte schedules proctice and
grid teams at its spring meeting Those two suggestions are on the
agene
television ang with discussion of television problems and arranging
the 1958 foobails schedule, Ahheetic
Director Harvey Cassill of the University of Washey cassill of the Uni-
day night. Last year the conference decided
to cut spring practice to 20 days and that was the program for the
1953 workouts. If adopted, said Casably extend to to out-ot-season prac. Freshman teams now are permit.
ted to compete in a regular sched-
le. If this was banned. the fros ootballers would do nothing but ference (Big Ten).
The 1956 football slate will put
ight of the member schools cebin program as voted at the cir
cuit session last winter. Slates up Conference faculty prheticus repre-
sentatives will gather for theses
sion Sunday, with the firs bus. sion Sunday, with the first business
sessions ot start Monday. The meet.
ing will run through Thursday, June Northern Division representa-
tives will hold a preliminary meetson's basketball schedule:
