Champ TKO's Rival in 13th

Araujo Leads Scrap Up to Ninth Round

By JACK HAND
NEW YORK (AP) — Jimmy Carter, despite a cut right eye, crumpled toe-dancing George Araujo with his solid body punching Friday night to hold his world lightweight championship by a technical knockout victory in 2:16 of the 13th round at Madison Square Garden.

Referee Al Berl signalled an end to the contest as the 22-year-old challenger from Providence, R. I., sunk to the floor under a thumping right that doubled him up.

The 29-year-old champ from New York twice floored Araujo for counts of two and three in a ninth round explosion that broke the fight wide open.

Up to the ninth there were times when it seemed the nimble challenger, bouncing in and out as he flicked jabs to Carter's face might be able to dance his way to the championship.

Always Carter was the pursuer, grimly plodding after his man with the determination of a man who has known hunger and wants no more of it.

Lashing out with sudden fury in the ninth, Carter crashed home a hook to the body. As Araujo fled toward his own corner, the champ drove a long right to the point of the jaw. Araujo sunk suddenly without warning. He was up at a count of two but obviously in trouble.

Carter seemed determined to end it there as he pressed the attack, dropping Araujo with another right to the chin. This time Araujo, his eyes wearing the startled look of a corner animal, took a three-count from knockdown timekeeper Mark Conn.

Another smashing right to the jaw halted Araujo in confusion and he stood in a daze as the bell rang to save him. He was led back to his corner.

This was a startling turn of events to the crowd of 7,132 paying \$36.51 to see the nationally televised event.

Up to the ninth, Araujo was leading on the official cards. But that numbing bombing took all the spring from his legs. He never again was able to do more than flick punches at the advancing champion until he could move no longer.

'Family Night' Decision Pends
A decision on when YMAA Family night will be held at Waters Park is expected Monday, according to Carl Greider of the Y organization. Originally scheduled when the Salem Senators were in their recent home stand, the event was a victim of the weather.

Greider adds that all tickets purchased for the original date will be honored when the affair finally is held.

Agency Retreats On Strong Code

CHICAGO (AP) — The North Central Association, a strong Midwestern academic accrediting agency, Friday backedpedaled on its stringent athletic code after protests by presidents of major colleges.

The agency's commission on universities and colleges met Friday with representatives of 27 institutions and then recommended that a softer athletic policy be followed.

Specifically, the commission said its own code which barred athletic scholarships entirely should be replaced by a 1952 recommendation of the American Council on Education.

Wheat Takes Sudden Drop In Grain Mart

CHICAGO (AP) — Wheat broke sharply on the Chicago board of trade and other markets, both cash and futures, throughout the country Friday.

In the back of the break was the trade's concern over where sufficient storage room will be found for the new crop, brought acutely to the attention of dealers by reports wheat was being piled on the ground in parts of Oklahoma.

Other cereals eased with wheat, but except in the case of soybeans, the losses were rather small.

Wheat closed 3 1/4-1/2 lower, corn 1/4-1/2 lower, oats 1/4-1/2 lower, rye 1/4-1/2 lower, soybeans 1/4-1/2 lower and hard 20 to 25 cents a hundred pounds lower.

Stock Market Edges Higher

NEW YORK (AP) — Strength in the oil shares and fractional advances in other sections of the list lifted the stock market a bit higher Friday. A notable exception was the railroad group, where most stocks closed lower.

Volume totaled only 920,000 shares, compared with 1,220,000 for Thursday's rallying market.

The Associated Press average of 60 stocks closed up 10 cents at \$105.50. The industrial average was ahead 40 cents at \$136.70, the railroad average down 30 cents at \$84.30 and the utility average up 20 cents at \$51.10.

Advances outnumbered declines today, 444 to 316. Issues traded highs for the year and 85 new lows.

Legislator Missing; Police Fear Slaying

CHICAGO (AP) — A "pleasant, good-natured" state legislator, kidnapped near his home while his wife watched helplessly, was missing without a trace Friday and police expressed fears he may have been slain.

The victim is Clem Graver, 53-year-old Republican state representative. He was seized at 10 p.m. Thursday night while returning from a routine meeting of the 21st Ward regular Republican organization.

The unpredictable Snead, who can reach heights of greatness but who has never won an open, sank an 80-foot pitch shot on the final green for a three-under-par 69, which brought the slammer three strokes nearer the lead.

The 40-year-old Fazio, who with Lloyd Mangrum lost a playoff to Hogan for the title in 1950, added a steady 71 to a previous 70. He is ready to jump in the moment the pace-setter falters.

Still King

JEFFERSON — In fourth place at 143 came another old campaigner, Mangrum, the 1946 champion, who fashioned a 70 for the second round, after Herbert, a surprise contender from Erie, Pa., and former assistant pro at Oakmont, followed at 144, and then came Dick Metz, a touring pro for 27 years, with 145.

Followed by the bulk of a swarming, rope-tearing crowd of 10,000, Hogan turned in an erratic 36-36 over the 6,916-yard, par 37-35-72 Oakmont course. Regarded as the greatest putter in the game, he three-putted two greens and had trouble with his irons.

Two under par going to the 16th, his usually mechanical game which turned out a 67 in the first round Thursday seemed to come apart.

Al Mangert of Mamaroneck, N. Y., and formerly of Spokane, was the only Northwest or former Northwest player to place among the qualifiers for Saturday's last two rounds. Mangert had a 75-71-146 and was in a two-way tie for sixth spot.

A Zimmerman of Portland, Ore., bowed out with a 77-78-158.
