KLAMATH FALLS—Oregon's largest fresh water lake is Upper Klamath Lake, along U. S. Highway 97, north of Klamath Falls. As seen from a view point above U. S. 97, the lake reflects the fleeting clouds and Mt. McLoughlin peak of the Cascade Mountains. The lake is noted as the habitat of the curious pelican and for the recreation it provides boatmen and fishermen.

Mother-in-Law's Visit Good Excuse From Jury Duty

DALLAS, Tex. (AP) — Daniel P. Hale was excused from jury service today.

Judge Paine Bush thought his reason commendable.

Hale explained his mother-in-law was here on a visit and he would like to spend as much time as possible with her.

Request granted, smiled the judge.

New Gardens in Portland Opening For 1953 Guests

Something new has been added to sights to see in Portland, this year. World famous for her International Rose Test Gardens, Portland is now opening a rhododendron test garden at Crystal Springs Municipal park. The rhododendrons are just about at their height of bloom.

Slow down! See the country.
