

Most any dock or boat landing at Devils Lake can be found filled with children during the summertime . . . the youngsters are either leaving or coming in from a boat ride, water skiing, swimming, sun bathing or relaxing in the sunshine . . . The Glenn E. McCormick dock and lake home is a popular gathering spot for the teen-age contingent . . . Pictured above on the dock left to right in front are Jane Barlow, "Roamer", the McCormicks' cocker, and Mary Susan Berg. In back left to right are "Miltzi", the Bergs' family pet, Jean Lidbeck, Betsy Berg, Sara Allen, Dick Berg, Glenda Lou McCormick, and Molly Allen kneeling by the boat talking to Bill Sharkey.

Water skiing is one of the great fun sports on the lake. Pictured at the left skiing one sunny afternoon are Dick Berg and Glenda Lou McCormick waving to their "lake pals" as they pass by the dock.

### Devils Lake Lures Salem Folk

By JERYME ENGLISH  
 Statesman Society Editor

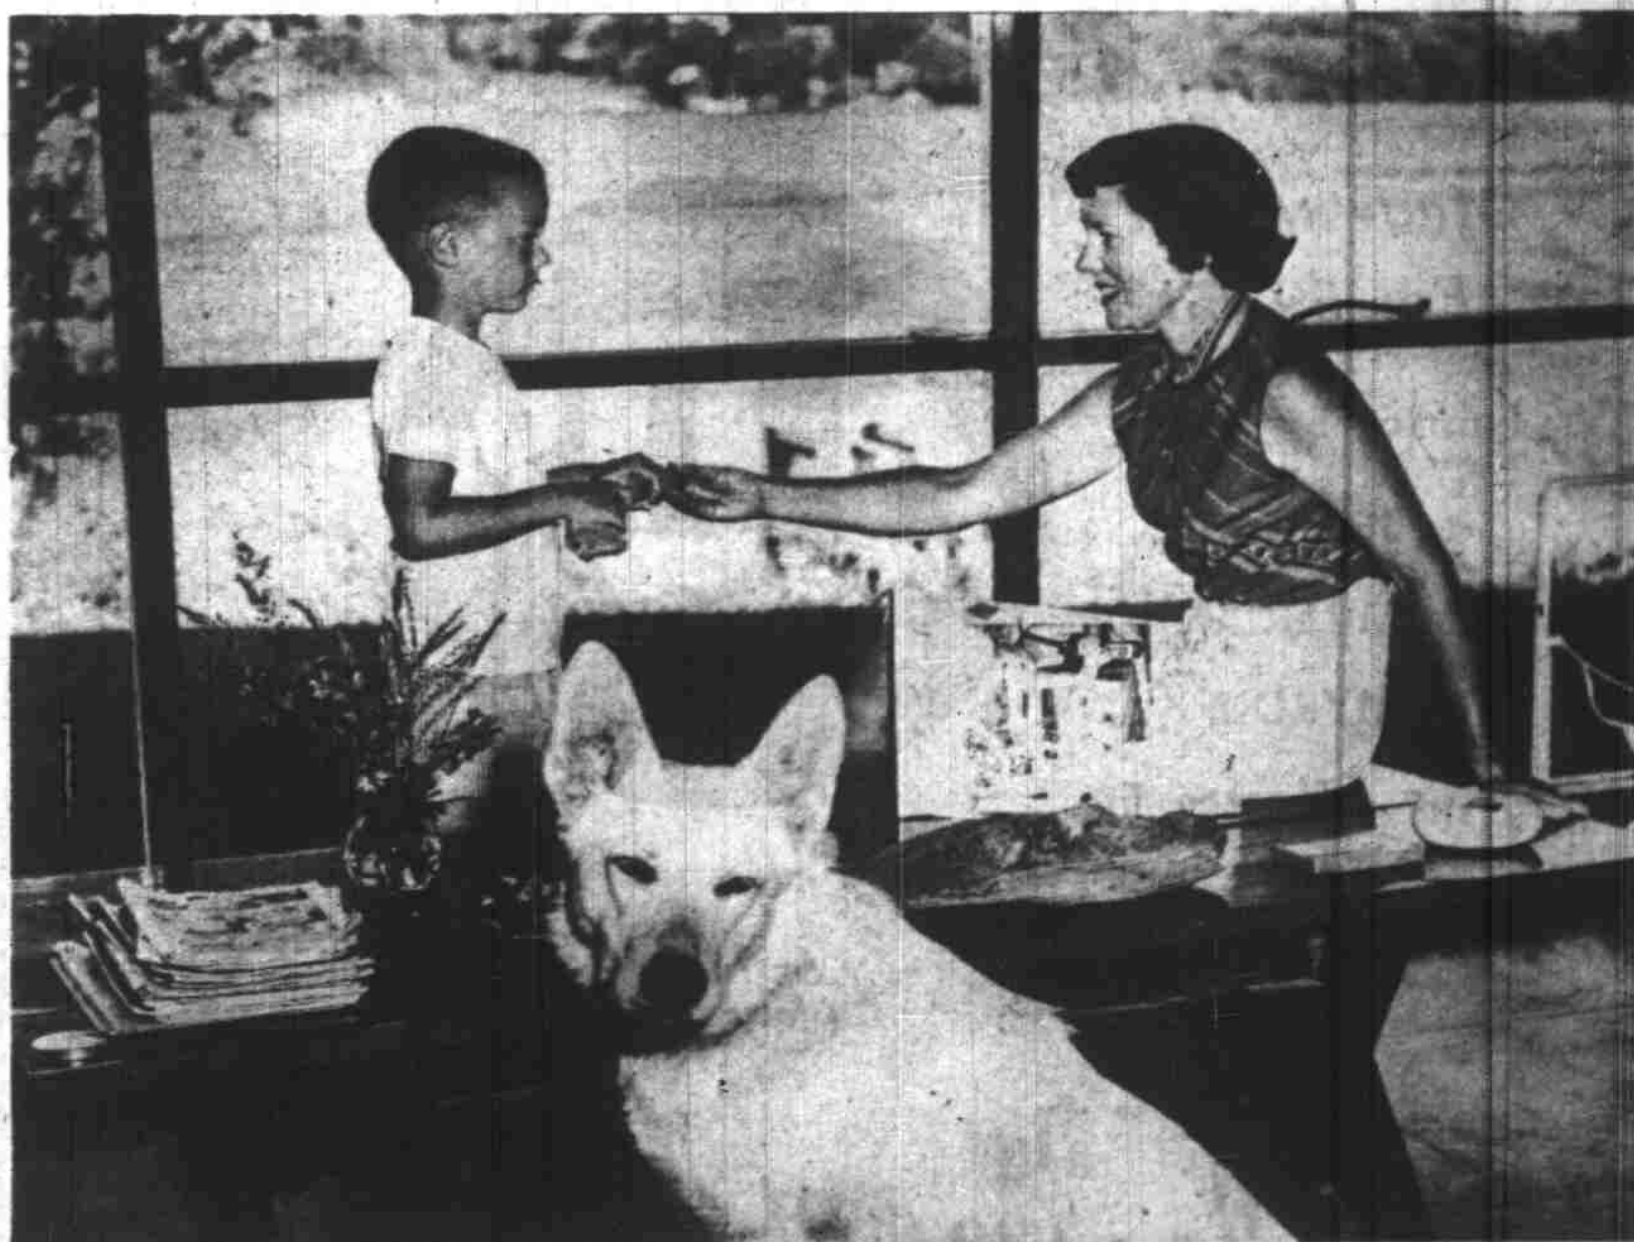

Each year more and more Salem families build or buy homes at Devils Lake. It is a popular spot for children, with boating, swimming and water skiing the main activities. The entire lake is bordered with attractive homes, large and small, and a majority with docks and boat houses. Most any kind of a boat can be seen on the lake, both inboard and outboard motors . . . small cruisers, racing and speed boats . . . and even a few sail boats . . . The boating activities on the lake during weekends is unbelievable . . . a spectacular sight to see from any home or dock . . .

The popular mode of transportation on the lake is by boat, even though one is just going a few houses away . . . when one goes visiting or to a party, cars are left behind and the boats go out . . . sometimes as many as ten boats can be seen at a dock, where a group of friends have gathered . . . Barbecues and family style picnic dinners and luncheons on the patios or terraces overlooking the lake are the favorites for entertaining.

Among the Salem families who have summer homes at Devils Lake are the Glenn E. McCormicks, the Reynolds Allens, Dr. and Mrs. Frank V. Prime, Mr. and Mrs. L. V. Benson, Mr. and Mrs. Charles R. Shaw, Mr. and Mrs. Harry H. Weinstein, Dr. and Mrs. A. D. Woodmansee, Mr. and Mrs. Donald C. Roberts and Mrs. Frank Healy.

Enjoying a cup of coffee on the lower terrace overlooking the lake at the Frank V. Primes' summer home, "Lake Lure," are left to right: Mrs. Prime, Dr. Prime, Mrs. Glenn E. McCormick and Mr. McCormick. The Primes' attractive lakeside home is scene of many informal gatherings and picnics during the summer months for their Salem and lake friends.

Mr. and Mrs. Reynolds Allen and their four children, Jim, Sara, Molly and Spencer, spend a greater part of the summer at their attractive new summer home at Devils Lake. Above, Mrs. Allen, son, Spencer, and the family's pride and joy, "Banks," a German shepherd, are pictured before the view windows in the living room looking across the lake to the east. Their view home was designed to minimize housework and give more playtime for everyone, with large living, dining and kitchen area combined and three bedrooms.
