Heavy Sales In Grain Mart

CHICAGO (AP)—An official report on the stocks of grain which Canada is carrying over into the new crop season brought heavy selling into wheat, oats and rye on the board of trade Wednesday.

Wheat and rye bore the brunt of the selling, all contracts of the latter cereal tumbling into new low seasonal ground.

Wheat closed 4 1/4% lower, corn unchanged to 1 1/2%, oats 1 1/4% lower and lard unchanged to 63 cents a hundred pounds higher.

Yolume came to 1,400,000 bushels. That is slightly below the daily average so far this year, but it is greatest since June 10. Tuesday's total was 1,030,000 bushels.

Stock Prices Slide, Revive

NEW YORK (AP)—Stocks suffered under considerable selling pressure Wednesday in an active market, but they were able to stage a moderate recovery from their lows.

The Associated Press average of 60 stocks declined 60 cents at 107.20. It was down 70 cents Tuesday. The industrial component declined 70 cents, railroads 80 cents, and utilities 20 cents.

Trading brought 1,131 individual issues to the tape, more than any time since early in June. Only 152 gainers remained at the close.

Highs for the year numbered 5 and lows climbed to 90 issues.

Volume came to 1,400,000 shares. That is slightly below the daily average so far this year, but it is greatest since June 10. Tuesday's total was 1,030,000 shares.

Circus Tents To House P.I.

Mammoth Circus tents will be used by the Pacific International Livestock Exposition at North Portland in presenting the 1953 show, Oct. 20-24, reports Walter A. Holt, general manager.

With the Pacific International buildings leased for use by the United States air force and while developing a completely new and ultra-modern show plant for the future, the exposition will continue to serve livestock industry through the use of these tents.

Three of the main tents to be used in connection with the 1953 Pacific International Livestock Exposition will be 310 by 100 feet each.

The 1953 permit money to be offered will be as high as any amount previously offered in connection with the regular stock show.

Bossy Needs Vacation, Too, Says Newell

Every good dairy cow is entitled to an eight-week vacation with pay every year, says Ben A. Newell, Marion County Extension agent, but adds, the only way to insure this is to keep accurate breeding records.

Milking a cow right up to the week or so before she calves will result in reduced production in the next milking period, according to Newell. On the other hand, when a cow goes dry too early she is wasting time and the owner's money.

Records, Newell emphasized, are the best guide for drying the cow up at the right time to give her a two-month rest before calving again.

During this dry period, it's a good practice to feed the cow well enough so that she will stay in good thrifty condition and carrying considerable flesh when she calves again. If she can't be kept in this condition on roughage alone, add some grain to her ration, dairymen are advised.

Ram Sale Sets Price Record

PENLETON (AP)—A record average price of \$152 a head was set Monday at the 27th annual Oregon ram sale here. The 1952 average was \$114.90.

County Agent Victor Johnson attributed the sharp increase to interest in Suffolk, a breed highly desired for meat. He said the emphasis is shifting away from meat production.

Of the 224 rams sold, 121 were Suffolks. These brought an average of \$217.68 a head, compared with \$94.34 last year.

Ramboullins, Columbias, Lincoln-Ramboullins and Corriedales brought prices far lower than in 1952.

Bryant Retires From Willamette Production Credit

John Bryant, assistant secretary-treasurer of the Willamette Production Credit Association, reaches mandatory retirement age this month. Reports from the company show that arrangements have been made to keep his services available on a per diem basis thereafter, but much depends upon his personal plans, he says.

Directors and employees presented Bryant with a camping trailer designed and made by Director George Fullenwider of Carlton. Directors knew that Bryant enjoys camping, hunting and fishing. Fullenwider said in making the presentation.
