## **Molotov Asks** 5-Power Meet **Next Spring**

2 SECTIONS—20 PAGES

BERLIN A - The United States scathingly refused Tuesday to accept Red China in a Big Five conference on world problems as proposed by Soviet Russia.

Secretary of State Dulles told the Big Four Berlin conference: "The United States will not agree to join in a five-power conference with the Chinese Communist aggressors for the purpose of

dealing generally with the peace of the world." The United States refuses, he said, "not because it denies that the regime exists or that it has

power. . .we do not refuse to deal with it where occasion requires. "We deal with it today at Panmunjom in our effort to bring about a Korean peace conference. It is one thing, however, to recognize evil as a fact. It is another thing to take evil to one's breast

and call it good." Unshaken by the rebuff, Soviet Foreign Minister Vyacheslav M. Molotov submitted a written motion to the three Western minisers that the conference with China be held in May or June. Dulles hurled back the charges

of menacing world peace which WASHINGTON P -Guy Cordon, the jut-jawed Russian made the opening session Monday. But Dulles and French Foreign
