### Modern Etiquette

By ROBERTA LEE

Q. Is it considered all right to use the abbreviation "c/o" when writing to someone in care of someone else?

A. It is better to write the words out, "care of."

Q. Is it proper to ask a married man to serve as best man at a wedding?

A. Yes; but be sure to include his wife in any of the festivities that the bridal party may engage in.

Q. What should a man do if a woman makes a social call at his office, and keeps talking and taking up his time?

A. He may, at the first opportunity, rise and tell her he is glad she stopped in to see him—or, if this has no effect, he may tell her he has an urgent appointment.
