Solon Refutes Postal Bureau 'Economies'

WASHINGTON (#) - Sen. Olin D. Johnston (D-SC) said Sunday Postmaster General Summerfield are now in the Magdeburg area erred in claiming large savings in for firing practice. But Magdeburg the Postoffice Department under the Republican administration.

Johnston quoted Summerfield as saying that the anticipated deficit for the current fiscal year ending June 30 had been cut from 752 million dollars to "something in excess" of 400 million, or a saving to the taxpayers "of more than a orders to "arrest ten if you susmillion dollars every working pect one."

But, the senator declared in a statement, the postmaster general lin school system. A search was has not made any such saving. Actually, Johnston said, the Postoffice Department has gained \$199,- Western comics were seized. 400,000 from higher rates in the past year. This included 159 million from increased parcel post charges, 24 million on international postage and \$16,400,000 on such things as box rents and miscellaneous fees.

Also, the senator said, various Snowbound bookkeeping shifts have transferred 116 million dollars of charges from the Postoffice Department books to other agencies. He said the biggest of these was \$80,665,-000 in airline subsidies shifted to the Civil Aeronautics Board. These shifts and higher rates

make "a grand total of 316 million," Johnston said. "So it appears," he went on, "that instead of spending less of of the taxpayer's money, he (Sum-

merfield) is actually spending overall savings, but I would like

Brownell Tells 'Security Risk' **Dismissals**

WASHINGTON (P) - House committee hearings disclosed that as of last December there had been eight "security risk" dismissals of 1953, he said, showed that every from the Justice Department under the Eisenhower federal employe security check.

The department which employes about 29,800 persons, has consiscitizen senses the proper role that tently refused to make the dismissal total public and Atty. Gen. Brownell told a recent news conference he did not intend to do

He has also opposed any breakdown of dismissal reasons in the overall government total, which President Eisenhower has placed

Brownell said his interest was in protecting the future employment

prospects of those let out. However, members of the House green, police said.
