Dr. G. B. Wood Talks to Farm Loan Group

There never was more need for a stable agriculture as well as a stable economy in all business than there is today, Dr. G. Burton Wood, head of the department of agricultural economics at Oregon State College, told members of the Willamette National Farm Loan Association at their annual meeting Saturday at Marion Hotel. Some 175 members attended.

One of the main issues for the farmer in the years to come is that he decide, Dr. Wood said, what he wants in the line of an agricultural program and how much government is to be involved in the picture. Dr. Wood said he believed that the year 1953 presented an open, understanding debate of the farm issue and that all citizens should take a viewpoint regarding agriculture that will be beneficial for the farmer, consumer and businessman. The farm problem no longer involves only the farmer, but the laborer, the consumer and the businessman as well.

Financial Report

Fred Muhs, president of the Association, called the meeting to order at 10:30 a.m. and J. J. Sechrist, secretary-treasurer, gave the financial report as well as a brief historical sketch of the growth of the organization.

Sechrist explained that many changes had been made in the Land Bank system since its beginning up to 1945 when six associations, formerly serving Salem area, consolidated and joined forces on March 1 of that year. He pointed out that the present financial stability of the association with respect to reserves for losses, was much greater and more secure now than in 1945. The loan volume in 1945 amounted to \$2,356,000 as compared to the low of \$1,799,000 in 1947, and a balance of \$3,020,000 as of Dec. 31, 1953.

Property Tax

Sechrist said that one of the major problems confronting farmers in the present price-cost squeeze is the real estate tax problem. Taxes have tripled in some cases the 1940 figure with the result that the present annual tax payment is larger than the installments on farm loans, he said.

The association, Sechrist went on, closed 71 new loans in 1953, with 74 being retired but with a net gain of \$179,200.

Ralph Otis, Newberg, and Robert Mitchell, Perrydale, were re-elected to three year terms on the board of directors.

After adjournment of the meeting the board of directors held its annual election of officers with Muhs re-elected to the presidency; Ralph Otis to vice-presidency; J. J. Sechrist, secretary-treasurer, and Carroll R. Nelson as assistant secretary-treasurer. Other members of the board are C. E. Lewis and Fred Dickman of Aumsville, and Mitchell.

Rep. R. L. Elfstrom Candidate for Re-Election to State Legislature

Robert L. Elfstrom announced his candidacy Saturday for re-election to the state house of representatives from Marion County.

Candidacy for re-election as representative from Marion County in the state legislature was announced Saturday by Robert L. Elfstrom.

Elfstrom, former Salem mayor and former chairman of the Oregon Liquor Commission, served his first term in the house at the 1953 session. He is the third Republican to announce for the primary election in May.

Rep. W. W. Chadwick and Mayor Alfred Loucks entered the race earlier.

In announcing his candidacy Elfstrom said "Marion County will this year lose half of its experienced delegation in the house of representatives, consequently, I feel I should disregard personal preference and file for re-election as a Republican representative in the house."

In the 1953 session Elfstrom served on highways, alcoholic control and commerce and utilities committee. He is now one of four House members serving on the legislative highway interim committee and is secretary of the group.

C. C. Behnke, 91, Succumbs; Rites Monday

Charles C. Behnke, 91, long-time resident of Oregon and former blacksmith at Florence, died Friday at his home at 1683 Center St. where he had lived for the past nine years.

Born at Delaware, Ontario, Canada, Oct. 31, 1862, he moved to Oregon about 1880 and for a short time operated a shop at Perrydale. He later moved to Florence where he ran a shop for over 30 years. In 1894 he was married to Miss Jessie Bell Donald at Portland. She died in 1944.

Behnke is survived by one daughter, Mrs. W. F. Dallas of Salem; brother, F. F. Behnke, London, Ontario; two grandchildren, two great grandchildren and several nieces and nephews.

Funeral services will be held at 1:30 p.m. Monday in the Clough-Barrick Chapel with the Rev. Paul N. Poling officiating. Concluding services will be held at Pioneer Cemetery. Behnke was a member of the Masonic Lodge at Florence.

In lieu of flowers it has been requested that contributions be made to the memorial fund at the Pioneer Memorial Hospital, Florence.

Willamette Plans Activities For Christian Resource Week

Willamette University will observe the annual Christian Resource week Tuesday through Friday with a program of chapels, firesides and a religious film, centering around the theme of "Christ in You." Charles Anderson, Willamette sophomore from Salem, is chairman of the religious observance.

The week will begin with chapel Tuesday when Dr. Paul Wright, minister of the First Presbyterian Church in Portland, speaks on the subject "Christ in Us— as Persons." At 7:30 p.m. the movie "Keys to the Kingdom," starring Gregory Peck, will be shown in the campus gymnasium.

Wednesday, Rev. Evan Williams, former student pastor of St. Mary's Episcopal Church in Eugene, and now chaplain at St. Helens hall, Portland, will present "Christ in Us— as Students." Both Tuesday's and Wednesday's chapels will be conducted in the First Presbyterian Church.

Final showing of "Keys to the Kingdom" will be in Waller hall at 2 p.m. Firesides in all living organizations will begin at 6 p.m.

Rev. Dan Walker from Corvallis' First Methodist Church will conduct the trio of chapels with "Christ in Us— as Adults," speaking in the First Methodist Church Thursday.

A communion service will be held at 7:45 Friday morning at the Congregational Church, with Rev. Julian Keiser officiating.

The Little Chapel, in Willamette's historical Waller hall, will be open during the week for private meditation.

COLDS

The term "cold" is applied to inflammation of any mucous membrane in any part of the body and especially those of the nose and throat. The real nature of a cold is an elimination effort on the part of the body and the cold occurs only when the system is very toxic and needs elimination. Some of the main causes are over eating (that's why so many colds after Christmas and New Years), excess of diet such as too many arches and sugars, constipation, too little water drinking, poor skin activity (skin is an organ of elimination too), lack of fresh air, over work and over worry, and living in super-heated rooms. Drug suppression of cold symptoms is not good, because it prevents Nature's attempt to clean out the body. The best treatment is to increase elimination, decrease the intake of food, push fluids (drink lots of water), and get plenty of rest. Our Natural methods of treatment do wonders for a cold.
