CORVALLIS — Oregon State College will welcome high school seniors from all over the state this weekend with a full schedule of activities slated. Registration will be at the Memorial Union at 7 p.m. Friday, followed by a tour of the school and student life exhibits. Student entertainment including a mixer dance in the M. U. ballroom will follow.

Saturday morning, there will be a general assembly in the coliseum followed by meetings between students and school deans. A picnic on lower campus will be followed by open house in all living groups. The Northern Division track meet, a fashion show in the home economics auditorium, and a baseball game between Oregon State College and the University of Washington.

Dinner in the living groups will be over in time for seniors to attend the student variety show, "Beaver Caravan," which will be followed by a mixer dance in the coliseum, which will complete the evening.

Farewell breakfasts will be given in all living groups Sunday morning to bring the weekend to a close. Don Davis has been chosen as general chairman of Senior Weekend.

Speech Confab Held
Held on the Oregon State campus during the week was the Pacific Forensic League's 30th annual conference. Ten member schools competed in extemporaneous, oratory, debate, after dinner speaking, and group discussion. Competing in oratory was Kirby Brumfield, who has won numerous honors in speech tournaments this year.

The annual Junior-Senior Ball with the title "Continental Ball" will be held on May 1. The ball will feature the crowning of a queen, a girl selected from the senior class, and music by Ernie Fields and "America's Sweetest Swingband."
