# REMODELING SALE

**SAVE UP TO 60¢ ON EVERY DOLLAR!**

**WHOOPS! YOU'VE CAUGHT US WITH OUR PLANKS DOWN**

Confidentially, we've been so busy these past years we hadn't noticed how badly we needed some "fixin's"—we must make room for the carpenters, the painters, the electricians, etc., to work in, so we can "primp" up a bit. There's plenty of hammering and banging, lots of confusion but under all the sawdust and chips you'll find some of the best values in fine Home Furnishings you've ever seen!

TODAY will undoubtedly be one of the biggest days in your life for SAVINGS! For TODAY, one of the greatest sales in our entire history, from the standpoint of outright VALUES, starts with a rush! We have a limited time in which to clear our floors so the contractors can keep remodeling. Mr. Price Slash says: "You can SAVE up to 60c on every dollar if you ACT FAST!" These items and HUNDREDS MORE have been DRASTICALLY REDUCED to bring ACTION!

**LIGHTS ON! DOORS OPEN! TODAY AT 9:30!**
