

SON'S GOLDEN WEDDING

PORTLAND, Ore. — Mrs. Emma Heath flew to Colorado recently for her son and daughter-in-law's golden wedding anniversary. The 95-year-old woman

dropped her housework to make the flight, her second. She said she hopes to get into the air more in the future. The goldenweds are Mr. and Mrs. Ronald Heath of Alamosa, Colo.

Aides of Rep. Angell Complain of 'Backhand Slap' by McKay

PORTLAND — Some aides of Rep. Homer Angell (R-Ore.), campaigning for re-election, indicated Wednesday they feel Interior Secretary McKay took a back-

handed slap at Angell Monday night. They mentioned McKay's failure in his TV-radio talk outlining the Eisenhower administration's power policy to cite Angell's efforts in behalf of Northwest power projects.

McKay singled out Sen. Guy Cordon (R-Ore.), also campaigning for re-election, as outstanding in helping the projects. Angell's aides

noted that Tom Lawson McCall, Angell's committee assignment gives him a strong voice in rivers and harbors work.
