### **Paving Starts Salem Population** Estimate 48,340 **Bypass Route**

#### By ROBERT E. GANGWARE City Editor, The Statesman

Salem has gained over 5,000 population since the 1950 federal census, City Manager J. L. Franzen estimated Monday.

And to prove the estimate, Salem's City Council voted Monday night to appropriate \$7,800 from the emergency fund for a supplementary census.

Franzen said 5,000 additional population would entitle the city engineer, said crews should reach

to an increase of some \$35,000 a State street within 30 days but year in state gas tax and liquor further paving south of that
