Masters Service Wins by Forfeit

The Four Corners Merchants team suffered their first loss in the B Division of the Salem Junior League yesterday as they were soundly trounced 8-1 by Berg's Market on Leslie Field. The other scheduled B league game was forfeited by West Salem to Master Service Stations.

1st Christians Down Berg's In Softy Tilt

The First Christian Church blasted a 14-6 victory over Berg's Market Thursday night in the only game played in the Industrial League. Four home runs highlighted the game, three by the First Christians and one by Berg's.

Vern Esch slammed the first of his two homers in the opening inning to score three runs. Singles by Ken Hough and Ralph Taylor brought in the fourth run of the inning. Another homer in the second, this one by George Watts, brought in another run for the Christians.

Berg's scored first in the third on singles by Cal Lang, Joe Arnold, Ken Myers and a sacrifice fly by Don Kroner. Ray Kroner slammed out Berg's homer in the fourth, with another run being scored on single by Don Kroner and two walks.

In their half of the fourth, the First Christians' Esch again slapped the ball silly for his second homer.

A scheduled game between Keizer Electric and the Fire Department was postponed until a later date.

Rasslin' Lord To Show Here

Lord James Beears, of England, one of the all-time big hits of Hollywood television wrestling, is to make his debut in Salem next Tuesday night on Matchmaker Elton Owen's Army card, he announced Thursday.

"I've been trying to get this Lord Beears up here for some time now, and have finally succeeded," Owen told. "He's a great card, and has proved it by his many appearances on the television shows in Hollywood."

Owen has not yet signed an opponent for Beears, but the newcomer, a rough and ready scientific, is to be in the main event spot.

The completed card for Tuesday night will be announced later by Owen.

Owen also reported Thursday that the injury to Eric Pederson in his win here over Luther Lindsey this week shelved the hissable blond for a spell. It was at first believed Eric might have suffered a broken neck when he took a bad tumble off the ropes in the Lindsey match. Lindsey was kayoed by the same spill and both had to be checked by a doctor.

In Big Race

Veteran "hot rod" driver Ernie Koch, above, will be among the favorites in Saturday night's mid-season championship racing card for the roadsters at Hollywood Bowl. A 50-lap main event will decide the title winner.

'Rods' Ready For Big Race

Led by Len (Lil Abner) Sutton and Ernie Koch, currently 1-2 in the driving point race, the roaring roadsters take over Salem's Hollywood Bowl Saturday night for their mid-season championship card.

Valley Sports Promoter Ron All yesterday announced the driving roster for the big race, which will get started after time trials, trophy dash, heat romps and Class B mainer.

Time trials open at 7:45 p.m. There will be four 8-lap heat races and a Class B mainer of either 15 or 20 laps. The big one is for 30 turns around the paved oval.

Drivers and their car numbers for the card are as follows: 1—Ernie Koch, 2—Palmer Crowell, 15—Jerry Watts, 25—Bob McGroarty, 27—Len Sutton, 30—Bob McGroarty, 43—Ed Kane, 46—Walt Pfinghaupt, 66—Hal Sperr, 77—Frankie McGowan, 90—Don Norris, 6—Coke Williams, 11—Dave Neiltan, W4—Ray Laing, W5—Bob Burgess, W2—Bill Legg, W3—Jerry Dundin, W19—Gene Wolf in, W16—Dave Todd, W22—Aan Weiskind, W35—Bill Henschell, W7—Don Olds.

Cars driven by Dick Brower, Bob Foster and Phil McCauley will be added to the field by race time, according to All.

McGowan is a Salem entry, Norris hails from Turner, Williams from Santiam, and Neiltan from Turner also. Pfinghaupt comes from Corvallis.

Koch won the local mainer, at 35 laps, in the only other roadster program here this season. He was having quite a duel with Sutton when the latter was forced from the race by mechanical trouble.

Moore Signs For Title 'Go'

NEW YORK (AP)—Light heavyweight champion Archie Moore Thursday signed official contracts for their 15-round title bout, Aug. 11 at Madison Square Garden.

Under terms of the contract, 37-year-old Moore will receive 40 per cent of all receipts, including television, and Johnson 20 per cent. New York will be blacked out of the TV (CBS) picture. It is reported the TV rights will bring \$50,000.

Charlie Johnson, Moore's manager, denied reports he was getting a guarantee from Johnson's manager.

Moore didn't want to talk about his weight except to say he'd make the 175-pound class limit. He scaled 175 for his last defense against Joey Maxim in Miami, Jan. 27 but soared to 180½ when he knocked out Bob Baker, March 9 and 189½ when he knocked out Bert Whitehurst, June 7.

CANADA TAKES LEAD TORONTO (AP)—Lorne Main and Bob Bedard Thursday stroked Canada into a 2-0 lead over Chile in their North American Zone Davis Cup play when they won the two opening singles matches.

After 83 relief pitching appearances in a row (dating back to Sept. 24, 1952) Ellis Kinder of the Red Sox started a game against the Indians on June 19. He won the game 6-3.

Ram Coach Says 49ers Greatest Powerhouse in Conference

By BOB MYERS REDLANDS, Calif. (AP)—Head Coach J. Hampton Foul of the Los Angeles Rams Thursday pointed to the San Francisco 49ers as the powerhouse of the Western Conference of the National Football League.

Pool, who may be accused of firing the first shot in the 1954 war of psychology, would not predict that the 49ers will go through the entire season undefeated.

"But I believe," he said, "that the 49ers have the best chance of achieving this goal since the great Chicago Bear teams of 1941 and 1942."

The erudite master of the Rams was on those tremendous Bear teams. The 1941 outfit won 19 games and lost only to the Green Bay Packers, 16-14, in winning the NFL championship. The '42 Bears

won 16 straight games but lost the title playoff to the Washington Redskins, 12-6.

Pool said he was not discounting the potential greatness of the Rams, runner-up to Detroit for the division crown last year.

But he viewed Coach Buck Shaw's offensive strength as "awesome," and the so-called backfield of Y. A. Tittle, Hugh McElhenney, Joe Perry and John Henry

Johnston in these words: "The most dangerous I can recall."

Tittle, Perry and McElhenney are regulars, while Johnson, onetime St. Mary's star, deserted Canadian football this year for the American brand. Frankie Albert, the 49ers' ex-quarterback hero who saw John Henry perform last season, has predicted he will stand the NFL on its head.

Salesman, Officer Favored . . . Public Links Tourney Moves Into Semi-Finals

DALLAS, Texas (AP)—William Scarbrough, the Navy officer from Jacksonville, Fla.; Jack Zimmerman, Dayton, Ohio, engineer; Joseph S. Evans, the St. Louis baker man, and Gene Andrews, the insurance salesman from Pacific Palisades, Calif., alarmed into the semi-finals of the National Public Links Golf Tournament Thursday.

The railbirds were picking Scarbrough, the giant with the adept chip and putt, and Andrews, steady veteran who is death on the greens, to make it into the finals.

Scarbrough, a 235-pounder who talks and plays with great confidence, continued his sub-par shooting as he swept over Richard B. Freston of Detroit, 3 and 2, then whipped Thomas F. Lambie of Phoenix, Ariz., 4 and 2. He has played 3-under-par for 81 holes.

Zimmerman took out Dallas' giant policeman, Andy Sword, 2-up after getting a free ticket to the quarter-finals when Hal McCormack, the Dallas collegian, defaulted because of illness.

Evans reached the semi-finals by beating Dean Vicini of Ottawa, Ill., 2-up and the smothering Rodney Funseth, the youngster from Spokane, 6 and 4.

Andrews got there with a 3 and 2 victory over E. F. Shively of Dayton, Ohio, and a 6 and 5 clubbing of John Hatch of Dallas.

Friday Scarbrough plays Zimmerman, Evans, who said "I came here to win it," meets Andrews. Little Funseth, a 21-year-old Spokane lumber yard worker, struggled through the longest match of the tournament in beating dogged George Dayantis of Chicago, 1-up in 23 holes in the fifth round Thursday morning. He sank

Junior Flight Field Largest

NEW YORK (AP)—The U. S. Golf Association's junior championship, begun only seven years ago, reached a record size Thursday when 750 entries were counted. The former record of 718 was established last year.

The young golfers, who must be under 18 years old at tournament time, will play sectional qualifying rounds in 43 locations July 16, 19 and 20 to determine the 128 in the tournament proper. The championship will be played at the Los Angeles Country Club, Aug. 4-7.

Sectional qualifying will begin Friday at Chicago and Omaha. The rounds at Indianapolis, Baltimore, Detroit, Milwaukee, Kansas City, Seattle, and Columbus, Ohio, will be played Monday, July 19, and at all other locations on Tuesday. Sectional rounds scheduled for five other locations were cancelled because of insufficient entries.

Padres Announce Return of Easter

SAN DIEGO, Calif. (AP)—The San Diego baseball club Thursday announced the return of Luke Easter, big Negro who was the home-run sensation of the Pacific Coast League in 1949 before he went to the Cleveland Indians.

Bill Star, San Diego president, said Easter was expected to join the club Friday, under option from Cleveland.

Easter has been with Ottawa of the International League this year, farmed there after several seasons with Cleveland. His record in 60 games with Ottawa has been 13 homers among 72 hits and a batting average of .346.

He hit 25 homers in 80 games for San Diego in 1949 and had an average of .363.

Star said Easter would play first base, with Dick Sisler shifting from there to the outfield.

Chataway Not Picking Miler In Big Race

LONDON (AP)—Chris Chataway, who has the habit of chasing other runners to world records, won't pick a winner in the big mile race between Roger Bannister and John Landy in the British Empire Games at Vancouver, early next month.

But he will say that the first two men in the world to run a mile in less than four minutes can run still faster.

Chataway was one of the "mechanical rabbits" who set the pace for Bannister's 3:59.4 mile at Oxford, May 6. When Landy cut the record to 3:58 at Turku, Finland, June 21, Chris was right on his heels. And only last week when Freddie Green smashed the three-mile record with a 13:32.2 performance, Chataway was so close behind that he was given the same time.
