# Lodge Sees No U.N. Seat

Henry Cabot Lodge, chief of this country's delegation to the United Nations, said Sunday he is sure Red China will not be admitted to the U.N .- but made a statement strongly suggesting he does not think this country should get out if she is.

Lodge, appearing on the first of a new television series, "Crossroads in Asia" on the CBS network, declined to answer directly whether he thought the United

"Last month if we had not been in the United Nations when this Guatemalan matter came up, we would have regretted it

He said the United States' presence in the United Nations "made it impossible" for Russia to use the United Nations to further the "Communist conspiracy" in Guate-

He said, however, that admission of Red China "would be a tragic thing" and would transform the United Nations into "a c "al, sordid cockpit."

Lodge also said he the was "wholly unlikely" that Chinese governments might and simultaneously in the U.N. although it would be technically possible for the Communists to sit in the as-Security Council.

-He said the arguments against Red China's admission would be 'equally compelling" in one body or the other.

Lodge said he did not think the United Nations could, on moral or legal grounds, admit a nation (Communist China) which "be-leves in war as an instrument of which was strewn along the right national policy."

Saying that he had never heard arguments in favor of Red China's

admission except on the basis of "expediency," Lodge added: "It flies in the face of a principle. They will be kept out. I

## LONDON A — A strong faction of Britain's Labor Party challenged its leaders Sunday night on the issue of rearming West Germany—under any conditions. Some to reture or resign. We're going to make every affort to transfer the submarginals to the jobs they can hold," the official said. "Of course, if they are not producing, they will be dropped. We are cleaning out the dead wood," he said. Word of the staff. Word of the staff cut came from For Talk With Lisenhower

for his Washington meeting with President Eisenhower.

The sources said Rhee had changed his earlier plans to leave until cleared. Some slid down the The delayed takeoff means

sides of an earth fill along which the tracks run.

The cars which left the track began with the 40th car of the The sources said Rhee still had 116-car train. The front 39 cars went on to Nampa, Idaho.

### Ex-Dempsey Fiance Weds Swiss Dentist

WEST PALM BEACH, Fla. (#) Mrs. Estelle Auguste, Palm Beach widow who made headlines twice in recent years by threatening to throw tomatoes at Jose Iturbi and announcing plans to marry Jack Dempsey, was wed Sunday to a Swiss dentist.

The wealthy, 43-year-old Mrs. Auguste and Dr. Warner Teufel were married in a brief ceremony in the bride's apartment at the Colony Hotel.

It was in 1947 that Mrs. Auguste threatened to bombard Iturbi with ripe fruit because he snubbed her invitation to a dinner party. The following year, she reported she lost a \$22,000 diamond ring at the opera in New York.
Last December, Mrs. Auguste

hinted that Dempsey, whom she called an "uncut diamond," had won her hand. Demosey acknowledged the en-gagement but it fell through after they met in New York and Mrs.

Auguste said the former heavyweight champ got mad because she invited movie actor Kirk Douglas to visit them.

The United States had 9.7 marriages per 1,000 population
