

Symphony at Silvertown to Play Aug. 5, 6

SILVERTOWN—Plans have been completed and final practices are being put in on the Silvertown Symphony to be given two nights, Aug. 5 and 6, at the Silvertown Municipal Pool.

The coordinating committee is Mrs. James Ekman and Mrs. Philip Crites, Mrs. Milton Baum and Mrs. William Duncan. Assisting are Mrs. Calvin Kaser, Mrs. Richard Hartley.

Mrs. John Middlemiss, Mrs. William Scarth, with Mrs. Kenneth Brown and Mrs. Walter Flager are arranging the program.

Pentacle Play Set for Four Days in July

The Pentacle Theatre's second production, J. B. Priestley's "An Inspector Calls" is now entering its third week of rehearsals. This play could well be called a tense psychological mystery.

The members of the cast are concentrating on polishing their lines and the production crews are busy handling the backstage work. Performance nights are July 28, 29, 30 and 31 at the Pentacle Theatre barn on the Stanley Water's property east of the Oak Knoll golf course.

Additional work and preparation is going on at the barn which will be beneficial to the audience. Risers will be placed under the third row of seats so as to insure the people sitting there a good view of the stage.

A large sign is to be constructed on the highway in black and white which will aid in locating the barn. Small repair jobs will be made in the dressing room and the light switchbox shelter.

All productions of the Pentacle Theatre are to be done arena style, which means the acting area is in the center of the floor space and the audience sits around on all four sides, thus creating a better view for all and an intimacy between audience and actors.

Tickets are on sale at Del's Book Store on High St., and Stevens & Son Jewelers.
