Nursery School to Expand Activities

The board of directors of the Happytime Nursery School met Monday night at the home of the chairman, Mrs. Gordon Skinner. The group decided to expand the activities of the group to include a kindergarten for the next year.

Parents of the children who last year participated in the cooperative Happytime Nursery School, sponsored by the American Association of University Women, are planning this kindergarten unit. It is to be based on the same parent participation that was so successful in the nursery school program this past year.

The kindergarten will serve five-year old children, while the nursery school is open to three- and four-year olds. Mrs. Carlisle Roberts, acting chairman of the Kindergarten group, said the committee is now looking for a suitable teacher. Parents who are interested in such a cooperative kindergarten are invited to contact Mrs. Roberts.

Those present at the meeting were Mrs. Gordon Skinner, Mrs. Stanley Butler, Mrs. Robert Miller, Mrs. Lloyd Hammel and Mrs. Richard Hill, members of the board of directors, and Mrs. Carlisle Roberts, representing the kindergarten mothers.

Mr. and Mrs. Erich Laetsch and children, Rickie and Judy, have returned from a 2½ week trip to Los Angeles. Their itinerary included Reno, Las Vegas, Lake Tahoe and the Redwoods. While in Los Angeles Mr. Laetsch, attending the convention of the National Hairdressers and Cosmetologists Association, was presented a framed resolution by the outgoing president. They were guests of Mrs. Laetsch's sister, Mrs. John Lawrence, and brothers, Curtis and Donald McKenna.
