Lone Oak Track opens its gates to the Labor Day throng today in the second running of the seven-day racing meet at the Oregon State Fair. Heading the list of races today is the \$800 Labor Day Handicap, which will include such horse as Icarus, winner of the Inaugural Handicap in Saturday's opening day races.

The Monday races include eight thoroughbred and two harness races. The trotters will run in the first and third races and the thoroughbreds fill the bill in the remaining eight.

An estimated crowd of 4,000 filled the track in the first day's races Saturday, slightly more than attended the opening in 1953. The Labor Day crowd of last year at the track hit the 10,500 mark, which stands as an all-time high.

Besides Icarus, who will seek a second straight handicap victory, the feature of the day includes Magruder, Pass Count, Mrs. Sullivan, See Peng, Dusty Acres, Muzzi's Mickey and Budding Genius.

Carrying top weight in the race will be Budding Genius at 120, followed by Icarus and Pass Count at 115 each. The handicap is scheduled for the ninth race of the day.

\$165,336 passed through the mutual windows on Labor Day last year, another mark that set an all-time high. With the new facilities added for this year's season, track officials have hopes of passing even this high mark because of the speeded up methods by which the betting can now be handled.

The Labor Day Handicap carries a purse of \$800 and is run over a distance of one and one-sixteenth miles. Several of the horses entered are favorites from last year.

Post time today is 1:15 p.m.

## Herrera Grabs 3d in 4 Days

### Braves Bombed Again; Doubleheader Tonight

KENNEWICK (Special) — Tom Herrera won his third game in four nights from Tri City with a 10-3 Salem Senator victory over the Braves here last night.

Salem thus retained their mathematical chance at the second-half WFL pennant, a game behind second-place Yakima who edged Wenatche in a single game, two games behind first-place Lewiston who split at Edmondton and with a percentage advantage in games played. All teams wind-up the regular schedule with Labor Day doubleheaders this evening.

## Kiser Brothers vs. Meanies . . .

## Rematch Grudge Brawl Tops Wrestling Card

A return grudge match will top this week's outstanding wrestling card at the local armory Tuesday night when the flashy Kiser Brothers, Dale and Jack, will again meet Angelo Poffo, the big burly New Yorker, and his partner, Kurt von Poppenheim, in a tag team scramble.

The two rough-neck meanies were burned up last week when the Kisers held them to a draw and they demanded a rematch for one hour time limit and a different referee. They claimed that Cal Roberts, last week's ref, ruled against them on every decision. Promoter Elton Owen was happy to sign the match and figured that the Kiser Brothers had earned it with the great showing of the week before.

The rowdiness of last week's match got the crowd so excited that several of the fans had to be restrained from entering the fray. The big meanies, Poffo and "Poppy" claim they will mop up the mat with the Kisers in Tuesday night's match.

The semi-final attraction is really a potential main event itself with Ivan "Killer" Kamenoff, the big Russian, and fiery Italian Luigi Macera. Macera has been practically invincible since coming down from Seattle several weeks ago. Last Tuesday he won over Bronco Lubich in a terrific struggle.

In the special event, one fall or 20 minutes limit, Doran O'Hara, who defeated Cal Roberts last week, tangles with Lubich. Fans can expect a lot of action from both Lubich, who is anxious to work his way up, and from O'Hara, the Texas Irishman.

# Tommy Bolt Rubber City Open Winner

AKRON, Ohio (AP) — Tommy Bolt, the reformed club-thrasher from Houston, Tex., Sunday won the Rubber City Open Golf Tournament with a 72-hole score of 265.

He was 23 under par for the 6,630-yard Firestone Country Club par-72 layout as he won by five strokes over fellow Texan Fred Hawkins of El Paso.

Bolt led a parade of par-busting professionals through the tournament. The play-for-pay group gathered 1,129 birdies, 45 eagles and one hole in one as they scrambled for the \$15,000 in prize money. Bolt's award of \$2,400 gave him \$16,152 for the year and placed him sixth in the PGA money-win list.

The torrid Texan, who fired a course record 63 in Saturday's third round, came back with eight birdies and 10 pars Sunday for a 64 as he won going away.

Hawkins picked up \$1,800 for four sub-par rounds, and a 170 total, and Fred Wampler of Indianapolis received \$1,400 for his third-place finish at 271.

Four strokes back of Wampler, deadlocked at 275, were Earl Stewart of Dallas, a former National Intercollegiate champion; Dave Douglas of Grossingers, N. Y., the tournament's thin man; and Ed Oliver of LeMont, Ill., the most corpulent of the competitors. Each of the three won \$1,000.

Bolt, who has had a club-thrashing reputation for years, complained to the press after Saturday's round that such news stories were doing him no good. He said he had reformed and never displayed temper on the course.

He almost forgot his pledge on the ninth hole Sunday where he missed a 20-foot putt. As he lined up the ensuing 16-inch, before some 5,000 deady quiet gallery-ites, one fan atop the clubhouse roof overlooking the green shouted: "I'll bet he makes it."

Bolt, who was standing over the ball at the time, shuddered a couple of times, looked up at the fan and said: "I ought to take that bet — I've missed shorter ones than this."

Then he sank it and stormed down the last nine in 32 strokes, four under par, for his winning 265.

# Tribe Boosts Lead to 4 1/2 Games; Braves Take Pair from Redlegs

NEW YORK (AP) — Cleveland's pace-setting Indians moved a stride nearer to the American League pennant Sunday, walloping the Chicago White Sox 5-2 while the runner-up New York Yankees were dropping a 5-4 decision to Washington.

The Indians, who now lead the Yankees by 4 1/2 games, have only 18 games left to play while the Redlegs have 19. If the Indians win 14 of their remaining games, the worst they can do is tie for first even should the Yankees win all 19.

Bobby Avila, the fiery little second baseman, was Cleveland's offensive star, cracking four singles in five times at bat to boost his mark to .384. This tied him with New York's Irv Noren for the league batting championship. Avila batted in two runs, scored one and ignited two other rallies.

Eddie Yost's two-out single of Johnny Sain in the ninth scored Ed Fitzgerald with the run that snapped a 4-4 tie and gave Washington the series, two games to one.

The Yankees, held to one hit in six innings by Maury McDermott, overcame a 3-0 deficit, then tied the score again 4-4 on Gil McDougald's homer in the top of the ninth before Yost's game-winning hit.

Boston's Red Sox swept past Detroit into fourth place by whipping Philadelphia twice, 12-5 and 7-3 behind a barrage of home runs. Ted Williams hit one of the five. Boston homers, his 38rd lifetime four-bagger.

Dick Kyroski's single, his third hit, drove in Cal Abrams in the ninth as Baltimore whipped the Tigers 4-3. Lou Kretlow space seven hits for his fourth Baltimore victory.

The Milwaukee Braves butted back into the National League pennant picture with a pair of comebacks 11-8 and 9-7 victories over the Cincinnati Reds to clinch within one game of second place Brooklyn and five of the front-running New York Giants.

The Dodgers moved to within four of the top, salvaging the first of the three-game series from the Reds, 7-4.

In the National League game St. Louis' Cardinals defeated Chicago's Cubs 5-2 and the Philadelphia Phillies extended their winning streak to six straight with 12-5 victory over Pittsburgh.

Two-run homers by Jack Dittz and Joe Adcock were the key blows in the Braves' first game triumph. Trailing 7-1 in the second game, the Braves exploded for seven runs in the seventh to sweep the twin bill.

Home runs by Eddie Mathew, Del Crandall and Dittmer, each with a man on base, highlighted the attack. Ted Kuszewski homered in each game for the Reds to raise his league-leading total to 44.

Junior Gilliam hit his 12th homer and sparked a three-run attack with a vital single to pace the Dodgers to their first win over the Giants in the last six games at the Polo Grounds.

Johnny Podres, with the help of Carl Erskine, gained his ninth victory of the season. Johnny Antonelli, the Giants' 20-game winner, suffered his fourth defeat.

Brooks Lawrence permitted six Chicago hits as he registered his 12th victory since coming to the Cardinals June 24. Homers by Ralph Kiner and Hank Sauer counted for the Cubs' runs.

# Knox Reveals Cal Recruiting

LOS ANGELES (AP) — The Los Angeles Examiner said in a copy-righted story Sunday night that Harvey Knox, stepfather of the young passing quarterback, Ronnie Knox, told of being paid \$400 a month for 15 months to recruit athletes for the University of California at Berkeley.

Sports writer Melvin Durslag in the interview story quoted Harvey Knox as saying he was paid from March, 1953, when his son was still in Santa Monica, Calif., high school, until June, 1954, by the Southern California alumni of the university. The alumni group in this area is called The Southern Seas.

Ronnie Knox was at Berkeley last year but this summer he transferred to the University of California at Los Angeles even though he will not be eligible for football at UCLA until 1955.

He reported for UCLA practice last week but cannot, under Pacific Coast Conference rules, practice until classes start Sept. 20.

Harvey Knox said in the Examiner story that "I'm tired of protecting people who claim innocence in the bad deal given my boy at Berkeley. I want to blow the lid off this thing once and for all."

"Second, I feel that my employment by California alumni may have been partly responsible for the bad deal my boy got."

The story says he told about his duties, including scouting high school and junior college football talent, making recommendations to Coach Lynn Waldorf at Berkeley, funneling talent to Frank Stormont, Los Angeles insurance man and prominent Cal alumnus here, and, in general, helping to "go all out" to get star footballers for California.

Months ago Knox claimed that Ronnie Knox was given promises of jobs if he went to Berkeley but the promises were not fulfilled. The Coast Conference cleared California of any wrongdoing in connection with those assurances.

Gene Tansell led the visitors' attack with a triple, double and single in five times at bat.

Len Tran doubled in a single run for Tri City in the sixth. Bob Moniz and Terry Carroll singled in runs in eighth and ninth.

The loss made seventh place, the cellar, a mathematical certainty for Edo Vanni's Braves.

Yakima kept alive its faint pennant hopes by downing Wenatche, 5-4, in 10 innings, in a Western International League game Sunday night. In the other WIL contests, Edmondton and Lewiston split a doubleheader.

The Eskimos took the first game 6-5 and the Broncs came back to grab the second-cut short to six innings by Sunday curfew—4-3.

The Bears play a doubleheader here Monday in the season's final day. They must take both contests, and league leading Lewiston must drop its single game at Edmondton, for the Bears to win the pennant. Any other combination would give the title to Lewiston.

Lon Summers' two-base hit in the tenth inning sent Len Noren home with the winning run in Sunday night's game.

Manager Lou Stringer sparked the Yakima attack with three hits including a triple good for two RBIs in the fourth.

First game: 000 110 201-3 12 3  
Lewiston 000 000 111-6 11 2  
Edmondton 000 100 0-4 10 1

Ted Kuszewski homered twice for Cincinnati in the Reds' doubleheader game with Milwaukee Sunday to raise his season total of homers to 44, tops in both leagues.

# Ducks Rally To Nip Japs

TOKYO (AP) — The wandering University of Oregon basketball team recovered from a 12-point halftime deficit Sunday night to defeat a team of picked Japanese All-Stars, 73-64, before 7,000 fans in Tokyo.

Max Anderson, 6-foot 7-inch blond giant from Portland, tallied 13 points to share scoring honors with team captain Ken Wegner, also of Portland.

The Japanese, hitting with an amazing variety of shots, ran the score up to 43-31 as the half ended.

He returned to his hometown here Sunday from Vancouver, where he ran second to Britain's Roger Bannister in the "mile of the century" at the British Empire Games.

Landy said he would not run in the mile at the Australian championships at Adelaide in January.

# Landy Denies Another Race

MELBOURNE (AP) — John Landy, world's fastest miler, said Sunday there was no chance of his going overseas again in the next European track season.

"It is serious teaching for me now in my new job and there will be no chance of gallivanting around the world running," he said.

Landy said in an interview he has had "five hard races a month since last October" and intends to run only "for the heck of it" this season.

He returned to his hometown here Sunday from Vancouver, where he ran second to Britain's Roger Bannister in the "mile of the century" at the British Empire Games.

Landy said he would not run in the mile at the Australian championships at Adelaide in January.
