

Favored Grid Teams Show Strength

Teams Adjust To Sub Rule

Fewer Upsets Seen; Big Games This Week

By WILL GRIMSLEY
NEW YORK (AP)—Observers searching the first week-end's college football scores for some sign of a trend may find it in the smashing victories rolled up by Oklahoma, Maryland, Texas and Georgia Tech.

These are four teams picked to battle Notre Dame for the year's mythical national honors. They not only won tough opening assignments, but did it impressively. Until further evidence is in, it may be speculated that:

1. Teams now have been able to adjust themselves to the year-old limited substitution rule and the difference between the strong and not-so-strong will be defined more clearly.

2. The season, as a result, may not produce the rash of upsets which marked the confused 1953 campaign from beginning to end.

The weekend was comparatively free of surprises, the only real eye-opener being Alabama's second straight defeat at the hands of Mississippi Southern Friday night.

But this was something short of a shock down in the Deep South where everybody knows Southern, 7-2 winner over the Crimson Tide, is loaded.

The big game Saturday, was the skirmish between Oklahoma and California at Berkeley. The Sooners gave a crowd of 58,000 a demonstration of speed and alertness in downing the Golden Bears 27-13. It was the televised game of the week.

The Oklahomaans, who defeated Maryland in the Orange Bowl last Jan. 1, took advantage of every California error and pushed to four touchdowns behind Gene Calame and Buddy Leake.

Maryland's 1953 national champions, with a new backfield striking force; intercepted five passes, recovered two fumbles and crushed a dazed Kentucky team 20-0.

Georgia Tech pounced on seven of Tulane's nine fumbles to win 28-0. Texas, led by Charley Brewer, smashed 80, 62 and 92 yards to stun Louisiana State 20-6.

This is the Texas team which invades South Bend next Saturday to provide opening opposition for Notre Dame, generally picked to be No. 1 in the country at the end of the season. It's also the debut of young Terry Brennan, following in the footsteps of Rocky Gray as Notre Dame coach.

Football action explodes in all corners next weekend. Oklahoma is host to Texas Christian. Georgia Tech plays Florida. UCLA, which crushed San Diego Navy 67-0, takes on Kansas.

The Big Ten warms up with Michigan State at Iowa, Indiana at Ohio State and Illinois host to outsider Penn State. Duke invades Pennsylvania for the East's best.

Last weekend opening salvos were confined mainly to the Far West, South and Southwest. Out on the Pacific Coast pass-minded Washington needed a conversion to beat Utah 7-6; bowl-minded Oregon started late to crush Idaho 41-0, and touchdown-misled Colorado whipped Drake 61-0.

In the Southwest, Rice showed real strength in belting Florida 34-14, and Baylor, with a youngster named Bobby Jones putting on a one-man show, handed Houston its worst defeat 53-13.

Oklahoma A & M scored an important 14-6 victory over Wyoming, figured the best in the Skyline Conference. Hardin - Simmons spoiled Coach Bear Bryant's debut at Texas A & M 41-9.

Cincinnati, which led the nation in both offense and defense last year, had to come from behind to beat Detroit 21-13 with Joe Miller scoring three touchdowns.

Modern Robin Hood Gets Buck

Wayne Doughton, well known Salem sportsman and modern Robin Hood, looks pleased with his prize taken recently at the Canyon Creek Archery Area in Eastern Oregon. Doughton has a right to be pleased, for he killed the small buck at 70 yards using a 50 pound bow and a single arrow. The deer dropped within 30 yards of where he was hit.

Cantrell Wins Cup Regatta With Gale IV

WASHINGTON (AP)—Gale IV, heretofore the hard luck boat of the hydroplane parade, won the President's Cup regatta Sunday despite a spirited challenge by My Sweetie Dora, which salvaged some glory by capturing the final 15-mile heat of the three-heat event.

Gale IV, piloted by the 46-year-old veteran, Wild Bill Cantrell, smashed the regatta heat and lap records in winning the first heat Saturday. She repeated in the second heat Sunday to insure her first major victory.

But Jack Bartlow, steering the Horace Dodge boat, My Sweetie Dora, cut loose in the final heat, licking Gale IV by over a half mile before a record crowd estimated by police at 100,000.

Gale IV, which is owned by Joseph Schoenith of Detroit, set a new record for the 45-mile race distance, despite losing the final heat. Gale's average speed was 91.277 miles an hour, better than the 91.070 set by Slo-Mo-Shun V last year.

Prep Player Dies of Injury

MANCHESTER, N. H. (AP)—A 17-year-old St. John's Prep football player suffered a fatal neck injury Sunday in the opening game of the season with Manchester Central High School.

Arthur J. Cronin Jr., of Beverly, Mass., a senior honor student, died en route to a hospital after walking off the field complaining "My head hurts."

Brother Norman, athletic director of the Danvers, Mass., school, said young Cronin apparently was hurt in a scramble for a loose ball after Central punted in the fourth quarter.

"He seemed to slip on the wet turf," brother Norman said, "and strike his head on the ground."

Dr. Samuel C. May said Cronin suffered a dislocated neck.

Failure to Jump Kills Race Driver

VERONA, Wis. (AP)—A "thrill" climax to stock car races was a climax of death Sunday as a 31-year-old race driver plunged off a 65-foot cliff in an auto and was killed before 400 spectators.

Kenneth J. Adams, 31, father of six children, had performed the stunt several times before at a cliff overlooking the local racing track. He would accelerate an auto toward the cliff and then leap out at the last moment as the car went hurtling down.

Sunday Adams failed to jump from the 1937 model car. The Dane County sheriff's department said an investigation was underway to determine why he didn't.

Gain after 'Duh...'

Doctors Lewis Clark and Paul Wolfe along with Harold Shogren, found Yaquina bay to their liking last week when soft water spinning gear "mooched" a boat load of three limits of silver salmon on the morning tide.

"Never saw anything like it," grinned Dr. Clark, "we had to bait the books under the boat seats to keep the salmon from snatching the herring from our hands."

Robert Stephenson of Salem took himself and his spinning rod to the Siletz river last week and managed to mooch a 13 lb. 4 oz. silver salmon which at that time had him running third in the Siletz-salmon derby. Win, place, or show, Bob had himself a fine day on the salmon waters.

Looks from where we sit as if the "moochers" are going all out to set a record on sports caught salmon this fall. Never have such glowing reports reached this column with reference to the early fall salmon fishing. Nearly all are catching fish which is a far cry from the days of trolling a spinner a few hundred miles with nothing to show but sea weed.

Nestucca Silver Salmon Running Good

The Nestucca has been good too, on the salmon with most of the fish running to fair sized silver salmon. Not too many chinook have been taken as yet, but it is a bit early for the big member of the salmon family. They'll come along later and add to the fun.

Not many days left to get all of our gear ready for deer season, duck season and pheasant season. October 2 will see the rifle totes invading the woods after their horns and meat. The season promises to be a good one with a possible deer kill even topping the record kill of last season.

The country will still burn too, in spite of the rain we've had. Witness the few thousand acres of land which burned over recently at Hart Mt. in the archery area. No one knows just how this fire started but it did a lot of damage and caused a lot of boys to get very tired fighting fire.

Head Not Just to Hang Hat On

It pays to take extreme care in the out of doors where fire is concerned. One cannot be too careful with fire or anything connected with it. It takes so little effort to play it safe when in the woods that it always seems ridiculously foolish to let a fire get away. A properly prepared camp fire just can't get away. A match that is out cold will not burn. A cigarette or pipe heel carefully extinguished will not burn. Yet every year there seems to be some hunter or angler who uses his head only to scratch after the fire is over the hill and far away.

Word from Lt. Farley Mogan of the State Police informs us that a couple of the game law enforcement officers recently nailed a long hunted illegal net fisherman on the Salmon river. After a couple of attempts which failed due to well placed sentries the officers finally infiltrated the lines and nabbed the night operator with his nets down and in the act of hauling them up. (We have not yet learned of the final disposition of the case but our hats are off to the state police for the persistency they showed.)

Eggers Takes Cycle Race

PORTLAND (AP)—Kenny Eggers of San Jose, Calif., won the 25-mile Pacific Coast championship motorcycle race here Sunday with a time of 18 minutes, 45.15 seconds.

Eight competed in the race which was limited to expert division riders.

Ken Fielding of Woodland, Calif., was second. Then came Harley Woods, Boise, Idaho; George Cooper, Modesto, Calif.; Buzz Chaney, Boise; Jim Garber, Oregon City, Ore.; Jack Bloomquist, Tacoma, Wash.; and Eldon Wright, Portland.

Three riders from Washington State, Jim Flatter and Tom Armstrong, both of Camas, and Don Rhodes, Seattle, suffered injuries in a pileup in the five-mile novice heat.

Bob Watson of Salem placed third in a five mile novice heat and George Herschbach, Salem, was second in a 5-mile amateur heat.

Capitol Loop In Jamboree

Teams Split for Grid Battle Tuesday Nite

CENTRAL HI SCHOOL (Special)—The Capitol League football jamboree will be played off on the Oregon College of Education field in Monmouth Tuesday night, with eight teams participating in four abbreviated games. The games will be of two 10-minute quarters in length, and the first one will start at 7:30 p.m.

In order to fill out the playing roster evenly, Jefferson High School, a member of the Marion County B League, has been invited to participate Tuesday. Otherwise the Capitol League teams—Central, Cascade, Philomath, Gervais, Stayton, Salem Academy and Serra High—will be intact for action.

The first game will see Stayton opposing Central. Then Serra goes against Philomath. Salem Academy is in the third game with Cascade, and the finale puts Gervais against Jefferson.

Play will be on a "North" vs. "South" basis, with Stayton, Serra, Salem Academy and Gervais making up the "North". Aggregate scoring will determine the jamboree's winning side.

Central Hi officials are sponsoring the prep football show.

PCC Opens Grid Battles

(Continued from preceding page)

Elsewhere, Washington State will try to get untraced against COP, and California—defeated but not disgraced by Oklahoma, 27-13—plays host to San Jose State.

The opening weekend produced no major surprises, although Washington's 7-6 squeak over Utah was closer than many anticipated.

Southern Cal's diversified attack, sparked by southpaw passer Jim Contratto, impressed observers, but Washington State's secondary defense was hardly an adequate test.

Oregon, led by George Shaw who passed for one touchdown and set up two others, scored only once in the first half against Idaho, but picked up five touchdowns in the second half.

UCLA was paced by Primo Villanueva's three touchdowns, but Sam Brown and Jerry McDougall were almost equally effective in the tailback spot. The 67 points against the undermanned Navy squad broke the Bruins' previous high scoring mark, 65 against La Verne, Calif., in 1928.

Washington's win came on a 96-yard first quarter march, with Sandy Lederman's 20-yard pass to Jim Houston the payoff. Bobby Dumm's conversion provided the victory margin over the stubborn Utes.

The nationally televised Cal-Oklahoma clash revealed that the Golden Bears have one of their best passing attacks. Paul Larson and Co. completed 17 of 25 pitches and out-first downed the mighty Sooners, 17 to 11.

But the big Oklahoma line and lean Gene Calame, the all-purpose quarterback, proved too much for the Bears. The Sooners settled the issue with an 87-yard pass play, Buddy Leake to Max Boydston, in the third period.

'No Thanks,' Bryant Tells Aggie Alumni

COLLEGE STATION, Tex.—Ever hear of a college football coach telling the alumni he didn't need their help?

That's what Paul (Bear) Bryant, brought here from Kentucky to pick up the flagging spirits—and record—of Texas A&M, proclaimed.

In talking to the Aggie clubs he said: "I'm going to be the chief for six years and you fellows are going to have to be the Indians. I know how to coach football. You might think you do. But I know I do. So I don't need your help. If I want any help I will go to a football expert and I don't think any of you are experts. I want you to tell me about the good high school prospects. But don't tell us your opinion of them. I will have a member of my staff look them over or talk to some coach—a man who makes football his business."

Bryant, who built Maryland and Kentucky into football powers, faces a tough situation in his first season. There are 17 letters from Aggie land but those fellows wound up in a tie for last place in the conference last season. In fact, since 1941 A&M hasn't won a conference title. In the past six years A&M has won only 20 games while losing 35 and tying six.

SEATTLE SKIER WINS
CHICAGO (AP)—Herald Hauge of Seattle won the overall championship of the Norge Club's three day ski meet which ended in Soldier Field Sunday.

Before the Nationals, there had been some talk that Seixas might not again be chosen to represent the United States' Davis Cup team in singles should it, as expected reach the challenge round against the Australians.

Earlier the veteran Louise Brough won the women's singles by defeating high school girl Barbara Breit in a battle of Californians.

Joey Seeks Crack at Bobo...

Giardello Match Tops Week's Fight Program

NEW YORK (AP)—Joey Giardello, still hoping for a title shot at middleweight champ Bobo Olson, risks his No. 1 challenger rating Friday night at the Philadelphia Arena against Ralph (Tiger) Jones in one of the most important bouts on the week's slim boxing program.

Giardello was red hot after knocking out Garth Panter, Walt Cartier and Willie Troy, but was cooled off by Pierre Langlois last May. Philadelphia Joey barely got past honest Bobby Jones in June and whipped Billy Kilgore July 7 in his last start.

Tiger Jones disappointed in late spring after hitting the headlines with a knockout of Bobby Dykes. The Yonkers, N. Y., middleweight was upset by Jacques Royer and Pedro Gonzales within a space of 10 days in May. Manager Bobby Melnick gave the Tiger a long lay-off after the two defeats.

The Giardello-Jones show is the second of the Friday night NBC television series. The International Boxing Club is sending out of town while Madison Square Garden is occupied by an ice show.

Jimmy Carter gets the Wednesday TV date on CBS from San Francisco although he doesn't get his chance to win back the lightweight crown from Paddy Demarco. The champ had to pull out of the match due to an injury. Carter's opponent will be Freddie (Babe) Herman of Los Angeles.

Tony DeMarco, a fast rising young welter from Boston, tops the Saturday night show on ABC-TV from the Boston arena against Chris Christensen, the Danish champion who has won two out of three matches in this country including a victory over Billy Graham.

Two welterweight shows scramble for attention Monday night with Hector Constance-Chico Varona at Brooklyn's Eastern Parkway, ABC-TV, and Frankie Fernandez-Luther Rawlings at New York's St. Nicholas Arena, DuMont-TV.

Varona, a winner over Fernandez Aug. 23, boxes a sub in Constance, the newcomer from Trinidad, who takes the place of ailing Del Flanagan. Constance made his U. S. debut at Chicago on the same card with Yolande Pompey.

Fernandez will be making his third St. Nick's appearance in seven weeks when he faces Rawlings, a Chicago lad. The Honolulu scrapper has lost only six of 37 starts.

Promoter Lester Krell reopened at Hazleton, Pa., with Lulu Perez of Brooklyn and Jerry Drouin of Quebec Tuesday night.

Lopez Undecided In Pitching Plan

DETROIT (AP)—Al Lopez, a nice guy who finished first, is undecided about his pitching plans for the World Series.

The gay senior, who guided the Cleveland Indians to their third American league pennant in 54 years said today his opening pitcher would be either Bob Lemon or Early Wynn, both 20-game winners.

"I don't know which one it'll be," Lopez said, "both are pitching great ball. I won't make a decision until the last moment."

Without naming the order, Lopez said Lemon, Wynn and Mike Garcia would start the first three games of the series against the National League champions. After that he wasn't sure.

"If things go right, maybe it'll be Bob Feller in the fourth game," Lopez said. "But Art Houtteman has been pitching good ball, too."

Braves Lose Pennant Hope

(Continued from preceding page.)

The Red Sox pounded Bob Porterfield for five runs in the first four innings to hand the Washington team its 15th defeat.

Gil Coan collected four hits and drove in two runs as Baltimore defeated the Chicago White Sox 5-1 to foil Virgil Trucks in his attempt to gain his 20th triumph. Duane Pillete and Bob Chakales combined to limit the White Sox to three hits.

A sacrifice fly also figured in the only other National League game of the day as Cincinnati scored twice to tie the score in the ninth and then took a 7-6 victory from the Chicago Cubs in the tenth.

Roy McMillan's long fly brought Nino Escalera in from third with he winning marker in the game, delayed 71 minutes by rain.

COCKELL WANTS ROCKY

MEXICO CITY (AP)—The United States carried off five individual titles Sunday but finished second to Chapatuepec in both the men and women's divisions of the Mexican Swimming Championships.
