**Partnership Plan Backed**

McMINNVILLE (P)—Clarence A. Davis, recently appointed undersecretary of the Interior Department, urged support of the "partnership" power policy at a Republican fund raising dinner here Saturday. The Eisenhower administration, Davis said, "has no intention of abandoning the Columbia Basin."

"These statements that are being made that the administration has deserted the Pacific Northwest that it is giving away resources, that it is out to sabotage public, are completely false," Davis told the 200 who attended the rally.

Medical expenses in excess of 3 per cent of income (up to certain limits) are now deductible for federal income tax returns. The new law also provides that widows, widowers and divorced persons will be allowed to deduct up to \$600 a year for care of child.

**You have "Proof of Payment"**  
 When you pay by U.S. National Check

Liberal new income tax deductions recently passed by Congress must be itemized and the taxpayer must be able to prove his deductions.

Now... more than ever... it pays to pay by check! Your check stubs will give you a handy record of the payments you've made which are deductible... your cancelled checks are always proof of payment and will support your deductions.

Both regular checking accounts and low-cost Special Checking Accounts provide the modern, safe and convenient way of paying bills. Open your checking account here at U. S. National today. You'll be glad you did whenever you need records of any expenditures.
