Amity IOOF Slates Jubilee Celebration

AMITY—The Amity Odd Fellows Lodge will celebrate the 75th year of its founding Saturday night with a Diamond Jubilee celebration.

Preparations have been going on for weeks for the occasion. Soren Sorenson, long time member of the lodge, is chairman for festivities.

The program will begin with a concert by the Amity Union High School Band, under the direction of Jack Mahoney. The Troubadors male quartette from Eugene will entertain with several numbers, which will include barbershop and "Gay Nineties" numbers as well as Negro spirituals. This quartette is famed in college circles for its harmony as well as its comedy and sentimental numbers.

Robert Y. Thornton, attorney-general of Oregon and a member of the Tillamook Lodge will be the speaker.

Dr. T. M. White, noble grand of the lodge, stated this week, "We are bringing to Amity the finest program it has had in years. We hope and are making preparations to entertain Odd Fellows and Rebekahs and just friends of our order by the hundreds. We do hope they will all come. They will surely be welcome."

The lodge rooms have been redecorated for the celebration.

Brazilian Rancher Visits Polk County

DALLAS—A warm welcome to Dallas and Polk County was extended to Amury Xavier, young Brazilian rancher, at a recent Chamber of Commerce luncheon by President Jack Greenwood. On hand for the occasion were (from left) Elwin Littlejohn, Xavier, Greenwood and John Grimes, Polk County 4-H club agent. Here under the International Farm Youth Exchange program, Xavier was a guest at the Littlejohn farm near Fort Hill.

Beef Four Cents a Pound

Exchange Student Tells Of Ranch Life in Brazil

By HAL NORBERG
Statesman News Service

DALLAS—Beef at the fantastically low price of four cents a pound comes from king-sized ranches in the Amazon area, it was reported here this week by Amury Xavier, young Brazilian rancher currently concluding a visit to Polk County.

Xavier is in the middle of a tour of the United States under the International Farm Youth Exchange program sponsored by the National 4-H Club Foundation.

Purpose of the program is to encourage the exchange of ideas and good will among participating countries and Xavier is doing his best to carry out this objective.

Together with an uncle, Amury helps manage a 45,000-acre ranch located on Marajo Island at the mouth of the Amazon River. The ranch, owned by Amury's parents, provides range for 16,000 head of zebu cattle, which are similar to Brahmas with large humps over the shoulders.

45 Cowboys on Ranch
Forty-five cowboys tend the Xavier ranch, a community in itself complete with school and church. Only a few degrees from the equator, the ranch produces a year-around stand of grass in the humid climate and no hay is cut for off season use.

The cattle, worth four cents per pound dressed, are slaughtered on the ranch and then shipped to Belem, capital of the home state of Para.

Amury, who is single and 21 years of age, has shown a facility for making friends. A six-footer, he has an easy manner with lots of self-assurance and a ready smile.

Speaks Portuguese
He speaks enough English to be understood and, in turn, he seems to understand it quite well. His native tongue is Portuguese.

While in Polk County, he has been staying at the Elwin Littlejohn farm between Valley Junction and Fort Hill. In less than two weeks he became "one of the family" and the three Littlejohn boys took him to school for a visit—a day each at grade and high school and Linfield College.

Amury arrived in Polk County on Nov. 6 and he is scheduled to leave Thanksgiving Day with Oregon winners for the national 4-H club congress in Chicago.

Announce New Way to Relieve Pain of Arthritis and Rheumatism Without Pills!

Greaseless, odorless cream penetrates deep—speeds up flow of fresh, rich blood into sore areas—actually helps drive away pain-causing congestion and pressure.

New York, N. Y. (Special)—Science has now developed an odorless, greaseless cream that acts in a new way to bring a new kind of relief from pains of arthritis, rheumatism, and muscular aches and pains. This new cream relieves these pains without the need of taking pills and other internal medicines that may only upset the system.

Gently rubbed into painful areas, this cream penetrates so deep and completely that it actually vanishes. Quickly a comforting feeling of warmth develops and the whole painful area takes on a pleasing glow. This is striking evidence of the power of this cream to penetrate quickly and stimulate the circulation of the blood. This glow illustrates how it speeds up the flow of fresh, rich blood into the sore areas and actually helps drive away the pain-causing congestion and pressure.

146 British and French doctors are so satisfied with this new help for patients suffering from arthritis and rheumatism that they have prepared written reports of success based on hundreds of cases. Further, one of the leading arthritis and rheumatism clinicians in the United States has now confirmed the findings of these doctors.

Now for the first time this remarkable cream can be obtained without a prescription at drug stores throughout America—under the name **InfraRUB**. The price of InfraRUB is only 98¢ for a large tube. InfraRUB is backed by the amazing guarantee that sufferers from the pains of arthritis, rheumatism, lumbago, neuritis, neuralgia or muscle injuries or sprains will get hours and hours of comforting relief or their money will be refunded in full.

4-H Congress at Chicago Bids Independence, Rickreall Girls

Statesman News Service

INDEPENDENCE—Girls from Independence and Rickreall will leave Thursday to carry Polk County's banners at the National 4-H Club Congress in Chicago. They are Ruth Carleson, 17, Rickreall, and Betty Ann Cline, 18, Independence-area girl who is now a student at Oregon State College.

Both will be gone 10 days on expense-paid trips which they won for 4-H activities. They will be part of a group of 15 Oregon 4-H club members attending the Congress. Four chapters will accompany the group.

Miss Carleson, daughter of Postmaster and Mrs. R. V. Carleson, Rickreall, gained her trip by winning the 4-H Dress revue at the State Fair.

The planning, making and modeling of a harmonious clothing ensemble was achieved by Miss Carleson through training received in 4-H work.

Under the guidance of her leader, Mrs. George Van Santen, Ruth has completed 32 garments. She chose for her winning outfit a combination of green, brown, beige and white tweed. Avocado green washable wool was used for the dress, which has push-up sleeves. She added benedictine pumps and bag, beige gloves and hat. Total cost of the outfit was \$95.

Gardening is the favorite project of Betty Ann Cline. Working seven years in 4-H under the leadership of her mother, Mrs. Dorothy Cline, and Jack Wells, she has had her own garden for three years.

Miss Cline has given four demonstrations on vegetable display and has made 26 exhibits. At Oregon State, she has enrolled in horticulture. She has financed her education from profits on dairy and sheep projects.

These decisions were announced at the Business Men's Club meeting Monday. Carl Mucken said street decorations would be up by Dec. 6.

W. Verboort and the Mt. Angel Garden Club offered prizes to help restore the home decorations contest which was discontinued last year.

The annual community Christmas party of free lunches, for which the greater part of the burden is carried by wholesale houses, was given the go sign, and the Santa Claus program for the children of the community was considered a must.

Details for all three programs were put in the hands of a committee. President Ira Herriford named Ed Stolle as chairman and appointed Leonard Fisher and Darrell Sample as assistants.

Miss Pat Anderson, vice-president of the Future Teachers of America, and Miss Anna Mae Loftis, vice-president of the student body of Mt. Angel's Women's College, were introduced as new members of the club, representing their school.
