Major Dinteman is the Army's brown cedar wood which the anchief disposal officer for the four Northwest states.

Proper removal of the deadly chemical had baffled the Everett Fire Department and Snohomish County Civil Defense officials. The compound reacts violently, with spontaneous fire and poison gas, chemists said, when exposed to either air or water and the metal Boy Accused

Everett Asst. Fire Marshall Hills Collins said the wooden cases in Dr. Costello's garage and base. Of Entering in Dr. Costello's garage and basement bore evidence of former Navy ownership. Somehow they were sold as war surplus and Dr. Costello, who thought the chemical might be used to tan leather and few years ago.

He did not learn until this month August, 1951, was taken into the potential danger and his appeals for aid brought the suggestion he get in touch with experts. He was identified as Lee Fung Yu, The Army crew will neutralize the chemical and throw it on the

ordnance dump at Ft. Lewis. A lot of people at Sunnyside, a suburb three miles from Everett, couldn't be happier.

Gen. Robertson Dies in California

SAN FRANCISCO (P - Maj. Gen. Walter M. Robertson, 66, who headed up California's civil defense after 38 years in the Army, died Monday in Letterman General Hospital where he underwent an abdominal operation.

As commander of the 2nd Infantry Division he made the World War II landing on Normandy and helped knock out Brest, for which he won the Distinguished Service Medal. Later he won the Distinguished Service Cross for extraordinary heroism during a German counteroffensive.
