

Eastern Oregon Looks Like Repeater for OCC Basketball Title

By AL LIGHTNER
Statesman Sports Editor

If the forthcoming Oregon Collegiate Conference basketball championship is to be decided on experience of the respective players involved, give the nod to either Eastern Oregon's Mountaineers, Southern Oregon's Red Raiders or Portland State's Vikings.

Bob Quinn's Mountaineers, who won the title a season ago, loom as possible repeaters. They have seven returning lettermen and a

6-5 transfer from Stockton, Cal., Junior College.

Quinn's veterans are 6-3 Larry Pryse, 6-0 Ted Schwadewitz, 5-9 Gary Burton, 6-2 Jim Applegate, 5-8 Vince Savage, 5-10 Dick Huston and 6-1 Ken Westenskow. Pryse, Schwadewitz and Westenskow were league standouts last trip.

Southern Oregon, coached by Dr. Alex Petersen, Jr., comes forth with seven lettermen, including 6-4 Hal Titus, the former Clayton High star, 5-10 Dale Bates, 6-0 Lloyd Hoffine, 5-9 Keith Johnson, 5-8 Dick Price, 6-1

Bob (Tiger) Smith and 6-2 Leroy Springer.

Don Lowrance, a 6-5 center, is expected to provide additional offensive strength as well as height to the Red Raiders.

Both Dr. Bob Livingston's OCE, Swolves and Wally Palmberg's Oregon Tech Owls are in the same boat experience-wise. Each has but two lettermen. At OCE is 5-10 Larry Chamberlain and 5-6 Darrel (Mouse) Davis. Oregon Tech lists 6-1 Don Hubble and 5-9 Gary Dorn.

Livingston will go with numerous freshmen and sophs this sea-

son, biggest of which is 6-6 Bob Jones. Palmberg, the onetime highly successful Astoria High mentor, has considerable height among his squad members even if the experience is lacking.

John Fulton is 6-7, Gordon Fahlgren 6-4 and John McCutcheon and Terry Blair are 6-3.

OCE plays the first game for those in the conference, going to Seattle November 26 to tangle with Seattle Pacific. Oregon Tech's opener is December 10 with Lassen JC at Susanville, Cal. Southern Oregon plays Sacramen-

to State November 30 at Ashland and Eastern Oregon opens December 1 at LaGrande with Whitman.

Most attractive of the pre-conference schedules is owned by Portland State, however. The Vikings will make an extensive tour of the Orient during December, playing in Tokyo, Taipei, Hong Kong, Saigon, Cambodia, Bangkok and Manila, just as the U of Oregon squad did recently.

The squad leaves December 2 and returns January 2.

Terp-Tiger Game Today's Feature; Eyes on Saturday Service Classic

By JOHN CHANDLER
Associated Press Sports Writer

The Thanksgiving holiday college football pickin' will be mighty slim Thursday, as several old traditional rivals and a scattering of other games make up the gridiron fare.

Turkey Day tradition hovers over such games as Cornell and Pennsylvania at Philadelphia, Philadelphia, Texas A&M and Texas at Austin, Utah and Utah State at Salt Lake City, Colgate and Brown

at Providence, and Virginia Tech and Virginia Military at Roanoke, Va.

However, the national college television game of the day (ABC) will be Missouri against Maryland at College Park, Md., starting at 1:55 p. m., EST. The competition here goes only back to 1950, and the Missourians have yet to win in four meetings with the Terrapins.

Most of the major fireworks will be reserved for Saturday, with the great Army-Navy service spectacle scheduled for a sellout crowd of some 100,000 at Philadelphia. Irish vs. Trojans

Two Freshmen Kept As Squad Cut to 13

The emphasis was on remedying faults in their fast-breaking attack as Willamette's Bearcats romped through another cage workout Wednesday.

Coch John Lewis cut his squad down to 13 men following Tuesday's scrimmage with OCE's Wolves—a "scrim" in which the Bearcat mentor detected both offensive and defensive weaknesses.

The final squad cut left two freshmen still in the running for varsity berths. They are Ron Taylor from Corvallis, and Tom Voigt, product of Portland's Jefferson High.

Most impressive WU performance in the Tuesday scrimmage was turned in by 6-7 Neil Causbie, the soph from Albany. A greatly improved player this season, Causbie rolled in 23 points during the session with the Wolves and also stood out at the boards.

Top Willamette rebounder in the scrimmage, however, was Pete Reed with 15 snared off the boards. Causbie grabbed 10. Jack Bishop, 6-6 soph from Salem, also has displayed much improvement in all departments.

Other men retained on the varsity squad include Guards Jerry McCallister, Terry Ziegelman, Dave Gray, Daryl Girod and Dick Hoy; Center Tom Gooding and Forwards Dale Gustafson and Ron Fitzgerald.

UCLA Dominates Figures . . . Bruins, Bears Cracked Marks in '54 Campaign

LOS ANGELES (Special)—UCLA has apparently captured eight of 10 statistical titles and has contributed a new Conference record as did California, according to figures released today by the Pacific Coast Conference Commissioner's office.

With only one game remaining to be played by a Conference team (Southern California vs. Notre

Dame), UCLA leads in every department except pass offense, where California has a 172.4 yard game average, and pass defense which Oregon heads with 91.9 yards.

California established its Conference mark by compiling a 61.0% pass completion record, surpassing the former Conference record of 57.3% (Washington, 1950) and the former national record of 57.5% (Illinois, 1952). California completed 139 of 228 passes for 1724 yards and 12 touchdowns and had only 12 intercepted.

UCLA's new Conference record was a defensive performance, the Bruins allowing opponents only 659 yards rushing in nine games for an average of 73.3 yards per contest. The old record of 175 yards was set by Southern California in 1943 in eight games. UCLA came within four yards of the national record of 69.9 yards per game set by Santa Clara in 1937.

SBC to Hear Younce, Cuff

Schuster Given Release by Suds

Leonard Younce and Ward Cuff, two former Giant stars who have just resigned from the coaching staff at Oregon State, will be the speakers at Monday morning's meeting of the Salem Breakfast Club at the Senator Hotel.

Topic on which the two will dwell is pro football, but they're expected to also make some comments on the football situation at OSC in response to questions.

Younce, a former OSC star, was an all-time pro great while performing in the forward wall for the Giants. Cuff attained fame as a backfielder for the New Yorkers at the same time Younce was playing up front.

General manager Dewey Soriano said every effort will be made to help Schuster land a managerial post in some other city. He has had managerial experience with Vancouver of the defunct Western International League.

The team's new manager, Freddie Hutchinson, will choose his own coach, Soriano said.

The signing of Earl Lockhart, 22, a right-handed pitcher who had a 13-2 record with a Los Angeles semipro team last winter, was announced. Bob Winslow, a Seattle pitcher, said he saw Lockhart pitch for another semipro team in Alaska last summer.

Commie Plot Said Found In Honduras

GUATEMALA CITY (AP)—An official spokesman claimed Wednesday night a plot against the governments of Guatemala and Honduras has been uncovered.

The alleged movements were scheduled simultaneously for Nov. 27 and were headed by Communist elements, the spokesman said. The spokesman said the conspiracy was to have started in Honduras as a general workers' strike against unnamed companies and in Guatemala as an armed movement "against the public order."

Regarding Guatemala, the spokesman said the government has the situation under control, since it knows the plans of the conspirators and has taken all measures to frustrate any movement. No names were announced.

The spokesman added that the Honduras government, likewise, is on the alert, ready to deal with the conspirators.

ONE-MEAL FULLBACK

ANN ARBOR, Mich. (AP)—A University of Michigan football player is fighting a winning battle with the scales in an effort to trim down to fullback size.

Earl Johnson was labeled a linesman when he reported for practice two years ago. He weighed 261 pounds. Since then, he's lost 70 pounds and is a fullback at 192. He lost most of the weight last summer by eating only one meal a day.

Joey Jay, young bonus pitcher for the Milwaukee Braves, has won two games and lost none in two years with the club.

Rickey Doubts Early Expansion To West Coast

PITTSBURGH (AP)—Branch Rickey isn't too disturbed over talk about the National and American League expanding to the West Coast.

"I've said it before, and there has been nothing to change my opinion," the Pirate general manager said in an interview Wednesday. He added:

"Neither Los Angeles nor San Francisco have a ball park large enough to accommodate crowds of major league proportions. They have voted a bond issue in San Francisco and there is no question that when the park—which is expected to seat 75,000 people—is completed, several clubs will be interested in moving here."

"But there are things to think about. The schedule, the expense in traveling and different sharing of the gate receipts are among them."

Texas Coach Change Eyed

AUSTIN, Tex. (AP)—The football coaching situation at the University of Texas, "probably will be discussed" Thursday at a meeting of the Longhorn Club directors.

Club president D. Harold Byrd of Dallas said Wednesday night.

He made his statement after learning of a Fort Worth Star-Telegram story which said the name of Henry (Red) Sanders of UCLA was the most prominent among coaches being mentioned in connection with a possible change at Texas.

Texas coach Ed Price, commenting on reports that some directors of the club are seeking his removal, said he is thinking only about Thursday's game with Texas A & M.

Benny Bengough, former Yankee catcher, is the only coach to be retained from the 1954 staff by new Phillie manager Mayo Smith.

Texaco Coach Change Eyed

WENATCHEE (AP)—The Wenatchee club of the new Class B Northwest Baseball League launched a drive Wednesday to sell \$55,000 worth of \$20 season tickets for 1955.

In the annual election of officers, Bob Tyler was reelected president. John Richardson, Wenatchee newspaperman, was named to the board of directors.

Outfielder Bob Cerv of the New York Yankees is a graduate of the University of Nebraska. He received a B.S. degree in education.

Rams Retain Offense Lead In Pro Loop

PHILADELPHIA (AP)—The Los Angeles Rams continued to lead the 12-team National Football League in offense, but the champion Detroit Lions, with one game less played, are not too far behind.

Los Angeles has gained 3,930 yards in nine games—1,713 rushing and 2,217 passing—while the Lions in three place have gained 3,160 yards—1,151 on the ground and 2,009 passing, in NFL statistics released Wednesday.

San Francisco, the league's best ground gainer with 1,956 yards, is second in total offense with a total of 3,638, while the Chicago Bears are fourth behind the Lions with a 3,122 total on 784 rushing and 2,338 passing.

The Bears lead the passing department, followed by Los Angeles, Detroit, Pittsburgh, 1,830 and Philadelphia, 1,827.

In rushing, behind the 49ers, are Los Angeles, New York Giants 1,354, Chicago Cardinals 1,234 and the Washington Redskins 1,156.

The Cleveland Browns, though leading the Eastern Division by a half game, are only sixth in total offense—having gained 2,776 yards—but lead the NFL in passing percentage with 59.9 of its serial heaves completed: A total of 127 passes for 1,812 yards.

Detroit ranks second in the NFL in passing percentage with 54.1, followed by Los Angeles and San Francisco with 53.2, Pittsburgh 53.1, Philadelphia 50.8 and Baltimore 50.

Detroit No. 1 in Western Division standings, has scored the most points with 258, followed by San Francisco 255, New York 248, Los Angeles 245 and Cleveland 234.

Defensively, Philadelphia ranks first in the rushing department, while Detroit continues tops in pass protection. The Eagles have permitted opposing ball carriers to gain only 2.7 yards on each carry.

Detroit has permitted only 39.9 per cent of opponents' passes to be caught.

Panthers Wait Cage Campaign

The Oregon School for the Deaf Panthers, awaiting the start of the basketball season, are shaping up under Coach Perl L. Dunn.

The Panthers have only two lettermen on hand, Dave Maynard and Delvin Thompson, both six-footers.

Maynard is the team captain and last season was selected on the "All-America Deaf Team," a squad picked from all players in the schools for deaf throughout the country.

Up from last year's "B" team are Roger Bixel, Larry Appleby, Ronald Holmes, Robert Sohler, Tommy Whittle and Jerry Vinard. And up from last year's junior team are Tommy Springer, Harold Godat, Lavern Buckley, Tyre Elliott, George Ellis and James Mead.

The Panthers open play December 1 in the Marion County B League jamboree at Mill City. First regular game is at Detroit December 7. Gates opens the home schedule here December 10.

Grid Defense Pacers Listed

In ground attack, the Sooners are defending champions but rank third behind Army and Colorado with 296.7 yards a game. They need 473 yards to pass Colorado, whose season is over, and about 270 yards more than whatever Army makes against Navy, to take this title.

Navy, meanwhile, will present Army with the following credentials. It has allowed 168.9 yards a game, 82.3 along the ground. And while Army is near record levels for its long-passing efficiency, Navy boasts the most efficient pass defense through interception in the land. The Middies have picked off 24 enemy aerials, or 18.2 per cent of all those tried against them.

Behind Navy in total defense are Richmond, with 170.8 yards a game yielded, Mississippi with 172.1, Boston College with 180.5 and Wichita with 185.4. Besides UCLA, Oklahoma and Navy, only Mississippi has given up under 100 ground yards a game, 85.

On the scoreboard, Mississippi ranks even higher. With 47 points allowed in nine games, its 5.2-point average is second only to UCLA's. Then come Maryland, 6.0; Richmond, 6.5; Navy, 6.6; Oklahoma, 6.9; Wichita, 7.4; Ohio State, Alabama and Boston College, with 7.5 each.

Michigan State's football coach Duffy Daugherty was captain of the 1938 Syracuse team that played in the Orange Bowl.

Gene Conley of the Milwaukee Braves, defeated the Brooklyn Dodgers five times during 1954. Two of the victories were shutouts.

Layne Close to 'Century Club'

Layne's touchdown passes with the Lions have come thusly:

1950 - 16
1951 - 26
1952 - 19
1953 - 16
1954 - 10

Layne's touchdown total this season is impressive in view of the fact he played only part-time in the first five games of the season. Tom Dubinski, his understudy, had pushed Layne to the sidelines with a brilliant display of passing and ball handling in the first several games.

Fine Handed Boxing Chief

NEW YORK (AP)—The State Athletic Commission Wednesday fined Tex Sullivan, president and matchmaker of the London Sporting Club, \$1,000 and revoked the license of Angelo Pucci, his assistant matchmaker, for "actions detrimental to boxing."

In addition, Sullivan was ordered to pay 19 boxers \$100 each to reimburse them for the \$100 television "donation" deducted from their purses and handed over to the New York Boxing Managers Guild.

The 19 had appeared on the Monday night network television fights staged by the London club at St. Nicholas arena.

Maxim Victor Over Andrews In Ring Upset

(Cont. from Prec. Page)

CHICAGO (AP)—One-eyed and bloated, old pro Joey Maxim, a 4 to 1 underdog, punched out a unanimous 10-round decision over the inexperienced Paul Andrews at the Chicago Stadium Wednesday night.

Maxim, his right eye puffed to closing in the very first round, outboxed and outmaneuvered an opponent eight years younger in a demonstration of ring savvy.

Maxim, ranked No. 2 contender for the light heavy crown he once wore, weighed 189½ pounds, while the 24-year-old Andrews, ranked No. 3 from Buffalo, N.Y., was 180.

Judge John Bray gave Maxim the widest margin, 99 points to 90, while referee Frank Sikora called it 96 to 96 for Joey and judge James McManus, 96 to 95. There were no knockdowns.

seem able to afford transporting it in. In other words, our Northern Division teams aren't in that class, yet they compete against that class and with usually appalling results. A compilation of the Southern Division football wins over the Northern Division, as compared to those of the ND over the SD will bear this out quickly.

Who gets the blame when a team, out of its class, takes a series of wallpings? The coach, of course. It's become a normal procedure even if not a righteous one.

So Taylor is the latest to walk the plank. There will be others as time goes on.

It has been said that Taylor's system of play is the bunk. We can't go along with this at all, for it's the same stuff used by such teams as Michigan, Iowa and Michigan State. He brought it from the Big Ten. It works there because they have the horses to make it work.

Sanders' System Plain, but He Has Horses

Red Sanders at UCLA uses nothing more than the plain, old-fashioned single wing power stuff with his terrific Bruins. Other schools use it also, but when they don't win with it the coach is to blame. Sanders just happens to have the talented lads to make it work to perfection for him.

This may read as if it is an individual's protest to Taylor's demise at OSC. It isn't, exactly. We're just of the opinion that no matter who he is in these football days in the Northern Division, the guy has a lousy job.

We haven't any idea of what Taylor now intends doing. He'd be a smart one if he'd get himself a 40-hour-a-week job and limit his football to Saturdays and Sundays in front of a TV set. To us a big time grid coach is a guy with ulcers if he's a winner and a guy who isn't given a fair shake by the general public if he's a loser . . .

Sidlight on the Marshfield-South Salem game: Pirates coach Pete Susick, onetime Washington Husky halfback who has built himself a terrific reputation for his winning grid squads at Coos Bay, came within an eyelash of landing the football coaching job here when Loren Mord left. Pete and Lee Gustafson were the last two aspirants being considered by the school board, and said board hired Gustafson.

Now they play one another for the state championship Friday night . . .
