'55 Draft Calls Halved, **Military Cut Announced**

WASHINGTON (AP)-Secretary of Defense Wilson said Monday that, partly because of greater "opportunities for peace," draft calls will be halved next year and the armed forces will be reducd by 403,000 men by June 1956.

The reduction will bring total strength down to 2,815,000 from the current figure of 3,218,000 registered last month.

Wilson told a Pentagon news conference the decision to cut millast few weeks ... by the Presi dent after a review" of all fac-
