## Fire, Police Post Exams Date Slated

Promotional examinations for captain and battalion chief in the Salem fire department and entrance examinations for patrolman in the police department will be held the week of February 14, the City Civil Service Commission announced Wednesday.

The examinations were scheduled at the request of Fire Chief E. L. Smith and Police Chief Clyde A. Warren to establish eligibility lists for the positions. No vacancies now exist for the fire department posts now, but one vacancy will occur for a captain's post when the retirement of Capt. Arthur White becomes effective in March.

The commission promised early action, probably at its February meeting, on approval of revisions to the city civil service laws. Principal interest centered around regulations on outside employment and political activities of civil service employees.

Revisions are expected to modify the political restrictions to allow employees to campaign for measures but not for candidates. Under existing rules both are prohibited, barring employees from soliciting votes for legislation of any kind.

Resignation of Harold Maynard Sr. from the fire department was accepted without comment by the commission.

## Pair Charged With Theft of 2 Air Guns

Two Salem youths were jailed on larceny charges Wednesday after city police found an air pistol and an air rifle which had been reported stolen from two downtown hardware stores.

The youths are George Vernon Elgin, 18, of 835 S. Commercial St., and Blain William Cooper, 19, of 1254 Eighth St. Police said the two had signed statements admitting the theft of one of the guns.

A District Court warrant set bail at \$50 each. Complaints against Elgin and Cooper were signed by Warren Hocker, owner of Hocker's Hardware Store, 990 S. Commercial St., who said an air rifle had been stolen from his store.

The youths were arrested after police received a report of the

## Speaker

Dr. A. L. Strand, president of Oregon State College, will be principal speaker tonight at a banquet honoring Salem's Junior First Citizen for 1954.

## First Junior Citizen Fete Set Tonight

Legislators and city councilmen will be table hosts tonight at a banquet honoring Salem's Junior First Citizen for 1954 at the Marion Hotel.

Principal speaker at the banquet at which the young citizen will be honored will be Dr. A. L. Strand, president of Oregon State College. Name of first citizen will be revealed by Sid Boise, the 1953 winner of the distinguished service award presented by the Salem Junior Chamber of Commerce.

Hosts at banquet tables will be State Sens. Lee Ohmart and Mark Hatfield, Reps. Alfred Loucks, W. W. Chadwick and Eddie Ahrens, Salem Alderman Walter White, James Nicholson and Dave O'Hara. Charles Barclay will represent Mayor Robert F. White.

The banquet will honor a young Salem citizen, 21 to 35 who was chosen by an anonymous committee for outstanding civic work, and mental and moral leadership in the community during 1954.

Master of ceremonies will be radioman Bill Ross. The Rev. Brooks Moore will give the invocation.

theft of an air pistol from Green's Hardware Store, 1201 S. Commercial St. Arresting officers said the youths took them to a point at the foot of Mission Street where the two guns were hidden.

## State Opens Gasoline Bids Second Time

Low bid on supplying the state with 3,100,000 gallons of bulk gasoline for 1955 was submitted by the Richfield Oil Company, the Oregon Department of Finance and Administration announced Wednesday.

The company bid was 20.3 cents a gallon for ethyl gasoline, and 18.75 cents for regular grade. The prices include the state tax but not the federal tax.

Bidding on 1,000,000 gallons of gasoline for service station delivery, Tidewater Associated was low with 27 cents for ethyl and 24.8 cents for regular.

The department opened bids several weeks ago but threw the bids out because they contained alterations. The new bids were slightly lower than those in the first call.

General Petroleum Company, low the first time, lost out in the new bids.

Other low bids: 200,000 gallons of kerosene, Associated Oil Company, 17.1 cents a gallon; 60,000 gallons of diesel fuel, Associated, 12.1 cents; 300,000 gallons of burner oil, General Petroleum, 10.69 cents.

Shell Oil Company was low on all the automotive greases.

## Special Vote Can Authorize School Bonds

School bond issues may be validly authorized at an election called for that purpose without the necessity of prior authorization at a school meeting, the state supreme court held in an opinion here Wednesday.

The high court opinion was written by Justice Hall S. Lusk and affirmed Judge E. M. Howell of the Sherman County circuit court.

The case at issue was filed by School District No. 17, Sherman County, which petitioned for a declaratory judgment. Charles L. Powell, a taxpayer of the district, appeared as defendant in the action.

Justice Lusk held that constitutional provisions regarding consolidation of municipal corporations do not pertain to school districts and that the Legislature may regulate such consolidations.

In this instance, Justice Lusk said, there was no evidence that the requirements of the statute were not followed or that the school board had failed to exercise or had abused its discretion.

Petition for rehearing of the damage action of Clarence Hansen, plaintiff-appellant, against Ross Cohen and Nate Kesselman, involving assault, was denied by the court. The action originally was filed in Multnomah County.
