

Corcoran Wins Giant Slalom

Ralph Miller 2nd In Olympic Trial

FRANCONIA N. H. (AP) — Ensign Tom Corcoran, 23, of St. Jo- vite, Que. won the giant slalom Olympic trial race on Cannon Mountain Friday and a good chance to make the U. S. 1936 Olympic ski team.

A Dartmouth graduate now in the U. S. Navy, he was the first runner in a 3/4 mile field and was clocked in 2:03.9 for the 1.6 mile course.

The slalom was set on Tramway Trail, Middle Cannon Mountain. Trail on the new Zomer course being raced for the first time.

Fog hampered the racers on the upper end of the hill at the 11:20 a. m. (EST) starting time. Shortly after noon thick clouds settled on the summit. Then a sharp clap of thunder and a flash of lightning ushered in a heavy rainstorm.

Runners coming along after the first 20 had little chance to make good time. They could barely see the gates through their rain-splashed goggles during the worst of the downpour.

Ralph Miller, 21, a teammate of Corcoran's at Dartmouth, finished second in 2:05.6. The race took on a further Dartmouth tinge when "Brookie" Dodge finished third in 2:06.2.

Marvin Melville of Salt Lake was the first Westerner to finish. He was timed in 2:09.1 for fourth place.

Will Test Igaya Corcoran, a champion slalom runner in college competition, was second in the national slalom race last year. He will be one of the strong opponents of the national titleholder, "Chick" Igaya, 23-year old Dartmouth sophomore from Japan, in the national slalom run here Sunday.

The national downhill goes off Saturday — at the same distance as Friday's slalom. Both national events will be Olympic tests, too.

Pete Kenney of Seattle was among those disqualified. Three others from the Pacific Northwest placed among the top 25. The three, with placings and times, were: No. 20 Norm Welsh, Seattle, 2:26.1; No. 21 Dean Loomis, Whitman College, 2:26.7; No. 25 Herb Thomas, Seattle, 2:30.1.

The courageous Cougars continued to whittle away at the big Saxon lead in the final eight minutes, and largely on some fine foul shooting by Lawrence, who oddly enough was able to play the final quarter without fouling out, managed to cut the margin to 77-44 at the final buzzer.

Walt topped all scorers with 25 points. He was closely followed by Jones with 17, and Burkland 16. Sproul, although held to only two fieldgoals by the Saxons, managed to pick up eight points from the black stripe, to give him 12 for the night.

Torgeson Inks Redskin Pact

WASHINGTON (AP) — The Washington Redskins Friday signed La Vern Torgeson, star linebacker who had been threatening a jump to Canada.

Torgeson, a four-year National Football League veteran, was acquired in a trade with the Detroit Lions last January. The Redskins also received Jim Hill, defensive half-back, giving up guard Jim Ricca and end Walt Yowarsky.

A 26-year-old, Torgeson stands 6 feet and weighs 215 pounds. He was defensive captain of the Western Division champions last season.

Torgeson played college ball at Washington State and resides at Tacoma, Wash. He has been in the NFL four seasons.

Senators Star Rookies May Take Top Places

YUMA, Ariz. (AP) — Manager Tony Freitas Friday warned the oldtimers on his Sacramento baseball club the rookies may take away some jobs through more hustle and better performance.

Freitas mentioned no names but he said he was "particularly pleased" with the way some of the younger fellow were hitting the ball in spring training camp.

"If some of these young players can show me they can cut the buck then that is going to be it," Freitas warned.

Baylor University's board of trustees has approved installation of lights in the football stadium for night games.

16-Year-Old Top Gal Skier

NORTH CONWAY, N. H. (AP) — Coached by her ailing father, the 16-year-old Betsy Snite, 16-year-old high school junior of Norwich, Vt., topped the best women skiers of the nation in her first race for Olympic team honors Friday.

Blue eyed Betsy edged Olympic veteran Andrea Mead Lawrence by a combined time of 2.2 seconds for two runs down the mile-long giant slalom course on Cranmore Mountain.

Betsy's winning time was 3:07.4. There were 34 entrants, the majority from the West.

Mrs. Lawrence Second Mrs. Lawrence, 22, a double gold medal winner in the 1933 Olympics, held second honors despite losing a ski pole on the first steep pitch of her second run. Vermont-born, she now lives in Parshall, Colo.

"I won daddy, I won," gasped Betsy to her father when she reached the nearest phone after the race. Snite, an author, is recovering at home after an operation.

Fourth and fifth place was a tie between Jeanette Burr Bray of Seattle and Skeeter Werner of Steamboat Springs, Colo.

Race First Event The race was the first of six competitions over the next 10 days to be held here and at Stowe, Vt. The women's Olympic team, expected to be limited to five members, will be chosen from the winners.

Three others from the Pacific Northwest placed among the top 25. The three and their times and placings were: No. 6 Dorothy Modene, Seattle, 3:14.6; No. 10 tie between Nancy Banks, Everett, Wash., and Ann Roberts, Pasadena, Calif., 3:18.1; No. 19 Cameon Hughes, Wenatchee, Wash., 3:33.2.

Olson Favored To Win Battle

HOLLYWOOD (AP) — Middleweight champion Carl (Bobo) Olson remained a 10-1 favorite Friday for non-title 10-rounder against California champion Willie Vaughn Saturday night at Legion Stadium.

However, Vaughn has been up against odds like this before. In his first fight against Charlie Green he made his backers happy and wealthy by going the route and winning the battle.

Vaughn has won, lost and regained the California middle title three times. He is 22, four years younger than Olson and his heart and stamina are recognized.

"This is the big chance, and we aren't about to blow it," said his manager, Charley Gregoli. "Thus there is a long chance that Vaughn might upset the world champion, but the wagering gen-etry report practically no takers."

Grand Prix Paced By Carroll Shelby

SEBRING, Fla. (AP) — Carroll Shelby, a daredevil from Texas, was clocked at the highest speed of 180 miles per hour Friday as sports cars from 13 nations made their first tuneup runs for Sunday's International Grand Prix of Endurance.

The Dallas driver, who narrowly escaped death when he somersaulted a British Austin-Healey during the Mexican road race in November, will pilot an Italian Ferrari in the 12-hour Sebring test. He said his powerful car "felt good" in Friday's warmup.

Jim Kimberly of Chicago, America's No. 1 amateur sports car driver, was timed at 150 m. p. h. on the straights in another Ferrari.

English Water King Eyes Record in June

ULLSWATER, England (AP) — Donald Malcolm Campbell said Friday he hopes to make his first attempt to break the American-held world water speed record in June.

The handsome 33-year old son of the late Sir Malcolm Campbell took his \$75,000 hydroplane Bluebird out Thursday on a trial spin over Ullswater lake and reached a speed of "a long way over 100 miles per hour."

The present record is 178.497 set three years ago by Stanley Sayer in his No. 44 at Seattle, Wash.

Upsets Mark B Tournament

(Continued from preceding page) set victims as Bob Hunt, the talented Sophomore, led his Knappa Logger team to a razor thin extra period win. The losers put on one of their fantastic closing drives to tie up the regulation score at 49-41 just as the buzzer sounded.

Harrisburg opened the overtime scoring with a goal by Center Terry Woods and appeared home clear when they regained control of the ball with 50 seconds gone in the three minute period. However, Don Kelly was fouled with a little more than a minute remaining, and when he made good on one of his two efforts from the black stripe the score read 51-50 against the Loggers.

The Eagles once more tried to freeze the ball, but with 25 seconds left to play an errant inbound pass gave the ball to Knappa, and Kelly almost immediately canned a layup. The desperate Harrisburg quint fouled little Gerry Backanen in their eagerness to get a bucket, and the Logger guard iced the tilt with two conversions with 16 seconds left on the clock. Backanen completed scoring with an easy layin as the buzzer ended the mix.

Early action had been give and take throughout, with Knappa leading at the first stop 15 to 10 on a great 11 point period by Hunt. The halftime count favored Harrisburg, 24 to 21, and the end of the third quarter the game was tied, 36-36.

The Eagles put on their closing rush after trailing 49 to 45 with just a minute to play. DeWayne Crabb fired home a long one handed at 0:50, and when the Loggers were called for traveling with only five seconds to go Phil Estergard hustled the ball down court and hit a jumper from the top of the key just as the regulation game ended. But the Knappa squad had the final word in the extra three minutes.

Hunt was easily top scorer with 24 points, which gives him 46 for two games thus far in the tourney. The three game individual scoring record is 61. Big Kelly was second high for the winners with 12. Estergard topped Harrisburg with 16 followed by Woods' 14.

The afternoon opener between Mill City and Enterprise, with Enterprise's Savages taking the victory 65 to 41, was a dogged battle in the first half as Mill City tried again and again to wipe out the early margin of the eventual victors.

Count at the end of the first period was a lop-sided 14-5 for Enterprise. But the Timberwolves of district 2 came back to narrow the count to 21-23 against them, only to have Enterprise go on a 10-point scoring spree to go far ahead to stay. Score at the three-quarter mark was 51-32.

Leading the Savages into the next consolation round were Doug Johnson with 18 points, Gary Lozier with 16 and Kim Wilson with 12. Top scorer for the losing Timberwolves was Jack Melting with 12, followed by Brooks Crosier with 11.

Enterprise hit accurately from the field, getting 23 goals from 57 attempts for a .400 mark, but from the foul line the Savages were even hotter with 29 shots made from a possible 31. Wilson sank his 10 free throws to erase the single game record of Don Anson of Elgin, set in 1953, and Bill Hughes of Heppner in 1954.

The Heppner-Prairie City clash was also tight through most of the first half, with Heppner holding a 31-20 margin at the intermission, but in the next two quarters the Mustangs broke loose to rout the Panthers of district 7.

Skip Ruhl and Dick Kononen with the big guns for Heppner in the first half. Ruhl garnered 10 points in the second quarter alone, although getting a game total of only 14. Kononen was the high scorer of the contest with 15.

The best that Prairie City scorers could do was the eight spotted by Gerald Krigbaum, with Duane Cheadle getting seven for second team honors.

Free throws were the main reason Prairie City kept in the running at all, although they missed 20 of them. Heppner potted 25 field goals to the Panthers' eight, but the Panthers added 18 gifts to help their total.

Loop Play Ends . . . Golds Win Junior Loop Title in 39-37 Game

Coach Cal Bonney's Leslie Golds won the Junior High League championship Friday afternoon in a down-to-the-wire finish that saw them edge out the Parrish Grays in a 39-37 overtime victory. With but two seconds remaining in the overtime, Jerome Goertzen sank a field goal to erase the 37-37 deadlock.

In the other Junior High League game played Friday, the Parrish Pioneers nailed down No. 2 spot in the final league standings by dunning the last-place Leslie Blues, 32-26.

The Golds had an uphill fight all the way before managing to tie the Grays 33 to 33 at the end of regulation play. They trailed 9-2 and 15-7 at the end of the first two quarters. In the third period they racked up 18 points to go ahead 25-22 as the final period opened.

Dan Moore with 22 points was high for the Golds but the game's high point man was Dale Drake of the Grays with 23. In the Jay-vee contest, the Grays won 38-17.

Both the Pioneers and the Blues experienced hot and cold streaks in the game. The Pioneers led 14-8 at the end of the first period, but trailed 20-16 at the half. In the third period the Pioneers scored nine points while holding the Blues to one, to grab the lead 25-21 as the final quarter opened.

High point man for the Pioneers was Ken Lammers with 11, followed by teammate Dick Scogins with 10. High for the game was Stan Anderson who racked up 12 for the Blues.

The Pioneers also won the Jay-vee game, 24-22.

Gals to Enter Florida Final

ST. AUGUSTINE, Fla. (AP) — Defending champion Grace deMoss Smith weathered a strong rally and Barbara Romack came from behind Friday to win their semifinal matches in the Florida East Coast Women's Amateur Golf Tournament.

Mrs. Smith, from Miami, fired a brilliant 4 under par 33 on the front side and held a 4 up lead over Mary Ann Downey of Baltimore at the turn.

Downey Forces Match But Miss Downey found the range on the back nine, shooting even par, and forced the match to the 18th hole where Mrs. Smith sank a four foot putt to clinch her 8 up victory.

Miss Romack, Sacramento's National Amateur champion, was two down to Mrs. Marjorie Lindsay McMillen after three holes but the Californian took advantage of Mrs. McMillen's erratic putting and one out of bounds shot to score a 4 and 3 triumph.

Oregon State, San Francisco Gain Opening NCAA Victories

(Continued from preceding page) from the floor, hitting 52 per cent for the game.

San Francisco got the jump on Utah and used good floor play and a pressing defense to keep the early advantage. Utah recovered somewhat in the second half but it wasn't enough. Both teams used reserves freely in the second half.

Swede, Tony Rest Oregon State's high-scoring pair, Wade (Swede) Halbrook, 7-3 center, and the hook shot specialist, 6-5 Tony Vlastelica, sat out almost the entire second half resting up for the regional finals Saturday night. Halbrook scored 21 points before retiring, Vlastelica 14.

OSC Rolls Up Points The Staters, Coast Conference champions, and ranked No. 10 in the nation, poured it on in the opening minutes, and led at halftime 50-36. They maintained this margin easily and, even after reserved took over, stayed in command, at one time holding a 17-point advantage. Seattle narrowed the gap in the closing minutes.

Oregon State worked the ball in well against the scrappy Seattle club, hitting a good number of shots for a shooting average of 51 per cent.

Halbrook Paces OSC Halbrook made 19 points in the first half and played in the second just long enough to hit one basket. He connected on eight out of nine shots in the first half and sank one out of two in the second. Vlastelica was almost as accurate, hitting seven out of 16 attempts.

When Halbrook went out another 7-footer, Phil Sadoin, came in to replace him. Sadoin scored 10 points, mostly on easy lay-ins.

The Seattle team tried to make a game of it but was no match

NIT to Open Tourney Today

Dayton Tallest Team Later on they'll see All-America Dick Ricketts and Si Green of Duquesne, Tom Heinsohn of Holy Cross and seven-foot Bill Uhl and 6-8 John Horan, who help make Dayton the tallest team in the tournament.

There's a good chance, too, that the NIT scoring record will fall. It has stood at 97 points since De Paul and George Mikan sent to town against Rhode Island 10 years ago. The 12 teams in this tournament have hit more than 100 points 30 different times this season.

Indoor Marks To Get Test

MILWAUKEE (AP) — A "mechanical rabbit" and a longer and heavier pole are classed as important props in the fifth annual Milwaukee Indoor Track Games Saturday night.

The Rev. Bob Richards of Long Beach, Calif., world's ranking pole vaulter, says his new pole is the best thing that has happened to him in vaulting.

Richards holds the meet record of 15 feet 4 1/2 inches and is the only vaulter who has seriously threatened Cornelius Wermarden's world mark of 15-8 1/2.

The first time Richards used his new pole — last Saturday — he set a New York Knights of Columbus Games record of 15 feet 4 1/2 inches.

The other prop is human — Art Dalzell, University of Kansas teammate of miler Wes Santee, who will set the pace as Santee bids for the world indoor record held by Denmark's Gunnar Neilsen. Santee held the record of 4:03.8 for one week until Nielsen smashed it Feb. 5 with a 4:03.6 performance.

Portland State and Lewis & Clark, 3 each; Santa Clara, 1. San Francisco State and San Diego State regular scoreless.

FAIRBANKS, Alaska (AP) — Maj. Gen. William Dean, deputy commander of the Sixth Army, was on KP in his daughter's household here Friday as his brand new grandson took over command of the family.

John Zane Williams, third child of Capt. and Mrs. Robert C. Williams, son-in-law and daughter of Gen. Dean, was born at Ladd Air Force Base here Wednesday night. Gen. and Mrs. Dean were on their first visit to Alaska to be on hand for the arrival of their grandson. Dean admitted his job now was to take over the family dishwashing while the rest of the family takes orders from eight-pound John Zane.
