Senators Start 'Grapefruit' Clashes

NAPA, Cal.—(Special)—The Salem Senators hustled through their third day of spring training here Friday, beneath a warm, windless sky, and made ready to play Eugene Saturday at Santa Cruz in the first "Grapefruit League" exhibition game of the season.

There were no new arrivals in camp Friday, and Manager Hugh Luby doesn't expect any for awhile. He has been promised adequate player help by both the Sacramento and San Diego Coast League clubs later on. "I'm sure

we'll be ok when we have to see it," is the way the manager puts it.

Luby plans to contact both Gene Petrilli, a veteran first-baseman who played at Vancouver in the WI League, and Bill Dials, a big right-handed Negro hurler who was once with Yakima, and hopes to sign both. There is no first baseman in camp at present.

The starting lineup against Eugene at 2 p. m. Saturday will find Harry Koepf catching, Bud Francis pitching, with Lefty Bob Tucker as his relief; Luby playing first base, Rookie George Connelly second base, Johnny Hanson shortstop, Gene Tansell third, Don Frailey in left field, Bill Shields in center and Joe Niro in right.

Luby has been impressed with the way both Frailey, on option from the New York Giants, and Shields, a Negro boy with Idaho Falls last season, have been hitting the ball in practice.

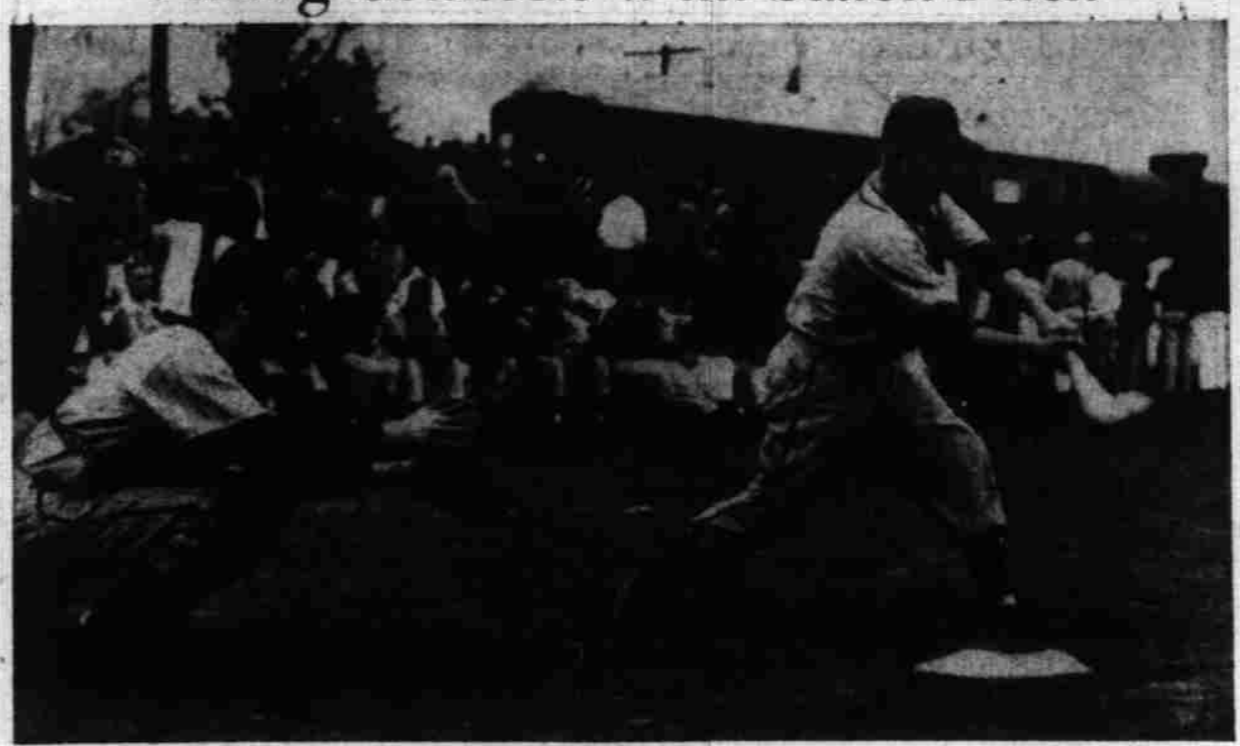

The manager is also highly pleased with the way Rookie Bill Walsh, a 6-5, 230-pounder has been pitching.

"He reminds me a lot of Bill Bevens," Luby told. "He's a big, broad-shouldered kid who throws plenty hard with an easy motion. I wish Bevens were here to work with the kid—it would help him a great deal. He looks like he'll become a real pitcher."

The Senators are to play at Modesto on Sunday and at Stanford University on Tuesday.

Eugene is known to have the makings of a strong ball club, with many Portland Beaver optionees under the direction of Manager-Catcher Cliff Dapper.

Viking Connects With Saxon Pitch

First up for North Salem in the fifth inning, Bob Jantze connects solidly with the ball to send a hot grounder through the hands of South Salem's second baseman and get on safely with an error. He was put out seconds later when the Saxons executed a double play, one of the four in the game. The catcher is Dan Luby. The Vikings won the game, 8-2. (Statesman Sports Photo by John Erickson)

Loy Limits Saxons To Only Four Hits

North Salem High ended a seven-month long victory drought in major sports with South Salem High when the Vikings won a convincing 8-2 baseball game from the Saxons on Olinger Field Friday afternoon.

Throughout the football and basketball seasons the Vikings had found the win column avoiding them in their competitive clashes with the Saxons. They changed all this Friday as Lefty

VIK MATMEN PROTEST
Members of the North Salem High wrestling team, which defeated South Salem's grapplers during the recent season, telephoned a loud protest to The Statesman sports department Friday, after reading that the Viking baseballers would be trying for the first major sports victory over South Salem, after losing in both football and basketball.

"We consider wrestling a major sport here at North Salem," the team spokesman protested.

In most schools football, basketball, baseball and track are listed as the "major sports."

Jack Loy held the Saxons to four hits while his teammates ganged up on Saxon hurler John Frederick for a seven-run upsurge in the third inning that clinched the game.

High Scoring Third
That high-scoring third started when Loy walked. Ed Syring singled and Orin Gilbertson was safe on a sacrifice to load the bases. Harry Santee then walked to force in one run and Kurt Jantze singled to score another. Don Pigsley then got on with an error. Bobby Feller of Cleveland tops the moderns with seven glamorous opening day jobs, including a no-hitter.

Unless the managers shift their plans over the weekend, Art Fowler of Cincinnati, Lou Kretlow of Baltimore, Johnny Antonelli of the New York Giants and Brooks Lawrence of the St. Louis Cardinals will draw opening day honors for the first time.

Sprinkling of Rookies
A sprinkling of rookies will dot the box scores as the clubs start the 154 games chase with the 1954 pennant winners—New York Giants and Cleveland Indians—favored to repeat. The Giants are 6-5 bets with Brooklyn rated 7-5 and Milwaukee 3 1/2-1 in the National.

Cleveland is even money and the New York Yankees 6-5 in the American.

With a break from the weatherman, who promises to be nice, the two Monday games will draw 64,000 and the eight Tuesday openers an extra 265,000. This two-day total of 327,000 will be boosted close to 450,000 when the remaining teams have their home openers Thursday.

Fowler (12-10), a 31-year-old righthander who bloomed belatedly as a rookie last season, will do the honors for Cincinnati before its customary sellout crowd of 34,000 in one of the Monday games. He will be opposed by Chicago's Bob Rush (13-15).

Third baseman Ray Jablonski, the ex-Card, will be the only new face in the Cincy lineup, but the Cubs probably will show Gale Wade in center field and Harry Chiti as their catcher.

Ike to Do Honors
In the presidential opener at Washington Monday, where President Eisenhower will throw out the first ball, Bob Porterfield (12-15) is slated to work for Manager Chuck Dressen's Senators against Kretlow (6-11), the somewhat surprising choice of Manager Paul Richards.

When the full schedule starts Tuesday, the world champion New York Giants will be at Philadelphia with Antonelli (21-7), ace of the '54 staff, drawing the opening plum. Roberts (23-15), won his first two opening jobs but lost the next three, two of them to New York. He was beaten by Pittsburgh last year.

The Giants are standing pat. Mayo Smith, new Phil manager, isn't set on his lineup, but the only place where a rookie might start is first base. A crowd of 25,000 is expected.

Milwaukee, given a good chance of winning its first pennant, will open at home before 40,000 with Warren Spahn (21-12) against Cincinnati's Gerry Staley (7-13). The Braves have no new faces in the starting lineup.

Surkont to Start
It will be Max Surkont (9-18) for Pittsburgh against Carl Erskine (18-15) when Brooklyn opens at Ebbets Field, where they count on about 17,000 fans. The Pirates always have new faces although the latest reports say Manager Fred Haney is going back to Dick

Ducks' Maddox Hurls One-Hitter

EUGENE.—(Special)—The Webfoots from the University of Oregon posted their sixth and seventh victories of the season Friday as they walloped Willamette 11-0 and 13-3 in a doubleheader. Both games were seven-inning contests.

In the opener, Terry Maddox, Oregon pitcher, allowed but one hit to lead his team to the victory. Bob Wagner was the big batter for Oregon with two hits in three trips to the plate, including a double. He batted in three runs. George Shaw got his fourth home run of the season when he belted his four-bagger in the fourth frame with no one on.

Willamette got its lone hit in the fifth inning as right fielder Wes Malcolm hit a freak bloop.

Williams Leads Team
Pete Williams was the big noise in the second game as he hurled his Buck team to its victory and paced the hitters as well. Williams got two hits, one of them a two-run homer in the fourth.

Willamette opened the scoring in the game with two quick runs in the first inning on a walk, an error and singles by Alva Brown and Harry Heffendorf. In the sixth, Willamette scored their third and last run on a single by Lipscomb, followed by an error that brought home the final tally.

Knees Injured In Fly Chase

WILMINGTON, Del.—(Special)—Del Ennis and Richie Ashburn, Philadelphia Phillies outfielders, sustained knee injuries when they collided while chasing a long ball from the bat of the New York Yankees' Mickey Mantle during an exhibition baseball game here Friday.

Phils trainer Frank Wiechec said later that X-rays taken of Ennis' chest and left knee were negative and that Del appeared badly shaken up at worst.

In Ashburn's case, X-rays were taken of his head and left knee but reports were not received on them Friday night. Both players were reported resting comfortably at their Wilmington Hotel rooms.

The two injured Phils were able to limp from the field under their own power.

Howard Definitely To Be the First

WILMINGTON, Del.—(Special)—Elston Howard Friday was assured of becoming the first Negro to wear a New York Yankees uniform during the regular season when Manager Casey Stengel said the 26-year-old St. Louis native had won a job as No. 2 catcher.

Howard was tried as both an outfielder and backstop in spring training.

"He's not a major league outfielder," Stengel said. "But he is definitely my catcher behind Yogi Berra."

OSC Crew House Damaged by Fire

CORVALLIS.—The Oregon State College crew house on the Willamette River here was damaged by fire Friday.

But Karl Drica, crew coach, who estimated loss at several hundred dollars, said it will not interfere with the opening home race with the Stanford Frosh April 23.

The fire is believed to have started with an explosion in a locker room heating stove. Flames swept up the walls but were halted before reaching shells and equipment, valued at \$24,000, at the other end of the building.

Drica said minor damage to shells will be repaired within a couple of days.

Angels Sink Bevos; Sactos Hold Lead

Los Angeles freshman southpaw George Piktuzis hurled a two hitter Friday night as he blanked Portland, 5-0. The big guns of the Angel attack, Buzz Clarkson and Steve Bilko, slammed a homer each in the Pacific Coast League game.

Clarkson's was a line drive of some 400 feet off LeRoy Han and Bilko whaled the ball across the street from the left field wall. Glenn Elliott was pitching.

Sacramento kept the PCL lead as Pete Milne hit a two-run homer in the last of the ninth to defeat Hollywood 4-2. It was the second time in the four-game series that Milne has contributed the decisive homer for the unbeaten Solons.

Three Oakland homers gave southpaw Bob Cain a safe lead in his first PCL start and the Oaks downed Seattle, 7-3. Al Gettel finished when Cain retired in the seventh.

Four straight hits by Joe Kirrene, including a homer and triple, helped San Francisco beat San Diego 15-9 in their contest. Kirrene batted in six of the runs.

The Angel victory squared the series at two games each.

Homer First Hit
Clarkson's homer into the far reaches in the fourth was the first hit for the Angeles. Piktuzis, 23-year-old whiz who won 12 games and lost only one for the 2nd Armored Division last year, socked in the second run in the fifth.

Johnny Pramesa had singled, stolen second, gained third on a roller, and he came in on Piktuzis' smash.

When Elliott took over in the eighth Frankie Austin erred on Clarkson's grounder, whereupon Bilko homered.

Dino Restelli got Portland's first hit in the fourth when Don Robertson caught his long fly but crashed into the wall and suffered a head injury. He had to be removed and Restelli received credit for a double.

Oregon State Wallops PSC

CORVALLIS.—Portland State scored three runs in the first inning but was held scoreless after that and lost Friday's baseball game 2-13 to Oregon State.

Oregon State catcher Jack Stephenson led at the plate with four hits in four times at bat, five runs batted in and five runs scored. Oregon State 300 000 000-3 8 2 Oregon State 030 554 40x-21 19 2

Thoroughbreds Await Rich 'Cap

BOWIE, Md.—(Special)—Four of the East Coast's best handicap thoroughbreds, Helioscope, Fisherman, Social Outcast and Joe Jones, come together Saturday with no outside interference in the John B. Campbell Memorial Race.

Their imposing reputations scared away all other opposition to leave each guaranteed a share of the gross pot of \$82,600. The winner will get \$55,600, the biggest handicap prize ever available in Maryland horse racing.

The quartet of stars is easily the best assembled on the race track at Bowie. The track management has hopes they will attract a crowd exceeding the record of 23,640 on April 2, 1949. Fans will be allowed to bet first and second only.

Although Willis mg. Helis Jr.'s Helioscope has started only once this year and C. V. Whitney's Fisherman has been idle so far in 1955, their 1954 performances are expected to make them the favorites.

Grant Wins Relays

PORTLAND.—Grant High School won the Portland League track and field relays Friday, rolling up a total of 45 points.

Then came Jefferson 37, Roosevelt 25, Cleveland and Lincoln 20, Franklin 15, Benson 12, and Washington 6.

More Names Added to Roster of Senators' Ticket Buyers

The Salem Senators business office, now open daily from 10 a. m. to 4 p. m. for the purpose of supplying fans with (1) season tickets, (2) box seat reservations and (3) opening night duets for the Eugene game April 26, Friday announced more names of those who have purchased the "Family Plan" season tickets.

The club's drive to sell 2,000 of the low-priced season tickets has reached over the 1,200 mark. The drive will end on the 26th, opening night. The tickets are priced at \$25 for family of husband, wife and all kids up to 19 years of age, \$15 for single adult and \$10 for student between the ages of 19 and 21. These tickets entitle their owners to see all Northwest League games at Waters Field during the season, with the lone exception of the opener with Eugene on the 26th.

Anyone wishing to purchase one or more of the duets before deadline time is urged to send

Players Hurt In Collision

By THE ASSOCIATED PRESS
Richie Ashburn of the Philadelphia Phillies suffered an injured left knee Friday when he collided with teammate Del Ennis chasing a fly ball off the bat of Mickey Mantle of the New York Yankees—and as a result the longest consecutive-game streak in the National League is in jeopardy.

Ashburn has played in 730 straight games and it was expected that he'd challenge the loop mark of 822 games set by Gus Suhr, the former first baseman of the Pittsburgh Pirates. The record ended in 1937.

The Phillies rallied in the bottom of the eighth inning, blasting Johnny Sain for three runs and winning the game 8-6, but it was small consolation. Both Ashburn and Ennis are regulars and are being counted on to supply a good part of the attack.

Fly Causes Collision
A long fly caused the collision and it became an inside-the-park home run. Ennis appeared merely to be shaken up, but both fly chasers were taken to Memorial Hospital in Wilmington, Del., where the game was played.

Officials said it was possible Ashburn would miss the opener (Continued on Next Page.)

Roberts, Garver Ready Starting Hurlers Named For Major Loop Openers

By JACK HAND
(Associated Press Sports Writer)
Robin Roberts of the Philadelphia Phillies and Ned Garver of the Detroit Tigers, each facing his sixth opening day assignment, add the old familiar touch to the 10-game program that launches the new baseball season Monday and Tuesday.

The two pitchers will be tripping over their beards, however, before they approach Walter Johnson's record of 14 openers or even Grover Alexander's mark of 12. Bobby Feller of Cleveland tops the moderns with seven glamorous opening day jobs, including a no-hitter.

Johnson TKO Victim in 5th

ST. LOUIS.—(Special)—Ralph (Tiger) Jones stunned George Johnson with a left and right to the head and left him helpless against the ropes with a flurry of blows for a technical knockout Friday night after two minutes and one second of the fifth round of their bout.

Jones weighed 158 1/2, Johnson 155.

The New York Middleweight hammered Johnson, a part Seminole Indian from Trenton, N. J., with perhaps 12 or 15 blows as Johnson lay back against the ropes, his arms outstretched.

Although Johnson didn't go down, he was a wide open target and Referee Harry Kessler stepped in to call a halt to the nationally televised bout.

Tiger Makes Attack
Johnson opened up an old cut alongside Jones' right eye in the third round with a sharp left jab.

The Tiger, apparently sensing the fight might be stopped if the cut opened wider, stepped up his attack.

Jones, boring in with his usual flat-footed, aggressive style, quickly took charge in the fourth round and shook Johnson several times with a series of left hooks to the body.

Lebanon Captures Corvallis Relays

CORVALLIS.—(Special)—Lebanon High scored 75 1/2 points Friday to win the Corvallis Relays 6th annual event here. Central High was second with 66, Sweet Home third with 57, Corvallis fourth with 42 1/2, Newport fifth with 23 1/2 and Dallas sixth with 5 1/2.

The Central 880-yard relay team won that event, with Lovelace, Johnson, Davis and Brents taking part. Peterson Haveman, R. Peterson and Scranton teamed to win the distance medley for Central also.

Phil Lovelace won the pole vault event with a 10'6" effort.

Lebanon's Malcolm McBride paced the Warriors to the team victory, running on three victories relay teams.
