1954 Valley **Cherry Pack Biggest Yet**

Volume of cherries produced in 1954 by members of the Willamette higher than any previous year, it was reported Saturday at an annual meeting of the organization

The 1954 volume was reported as 8,500 tons-an increase of 32 per cent over the previous high figure spots were taken up by special in 1940. Members also were told that the 1954 strawberry output was approximately 400 tons, a figure running about average. Most of the cherry production

was in sweet cherries and the strawberry harvest was mainly fruit of the marshall variety. Four men were elected to two-

year terms on the organization's board of directors. They were W. Frank Crawford and A. E. Bouffleur, both of Salem; Frank Farmer, Rickreall, and Josiah Wills, Dallas.

the Salem area attended the meeting, held at the Veterans of Foreign Wars headquarters. Presiding

at the session was Robert Shinn Salem, president of the organization.

Lad Falls Down **75-Foot Bank** Statesman News Service

MILL CITY-Robert Coutuer, seven-year-old son of Mr. and

Mrs. Robert Coutuer, is recuperating from a tumble down a 75foot bank that nearly landed him in the North Santiam River. The lad was playing near the bank after school Friday when the ground gave way. A playmate ran for help and a group of men headed by Police Chief

Clarence Meador rescued the lad. He was treated by a physician for cuts and bruises.

The mishap occurred near the lad's home here.
