# Allies Seek Top Parley This Summer

By ARTHUR GAVSHON

PARIS UP - The West Tuesday invited Soviet Premier Nikolai Bulganin to join government chiefs of the United States, Britain and France in a conference this summer on European cold war problems. Word from Moscow was that the Russians are expected to ac-

The parley would be the first such high level East-West meeting since President Truman, Premier Stalin and two British prime ministers - first Winston Churchill and then Clement Attlee - met

at Potsdam in 1945. President Eisenhower personally approved the project, which was authored by Prime Minister Eden's British government. Eisenhower told a Republican women's meeting in Washington he "would do anything - meet with anyone, anywhere" in the interest of world Blessing by NATO

The Western invitation to Bulganin was given a formal blessing by all members of the 15-nation North Atlantic Treaty Organization (NATO) shortly before it was started to Moscow As conceived in Western quar-

ters, the topics to be discussed would include: 1. Reunification of Germany.

2. Restrictions on political freedom in Soviet satellites. 3. Control of nuclear weapons.

A short conference is envisaged by the West among Eisenhower, Eden, Bulganin and French Pre-Wins mier Edgar Faure — perhaps in Switzerland or in Sweden during
