Next Fall's First Graders Registered

Sixly children expected to start first-grade at Richmond School next fall were registered Tuesday at a meeting for pre-school parents, it was reported by Principal Mathilda Gilles who estimated total Carl Greider registration will be 96.

For the current year, Richmond has been averaging 75 first-graders. Construction of four additional rooms is now in progress at this school, located at Richmond Avenue and Mill Street.

The 75 parents attending the meeting heard Gerome Brush, installed as Parent-Teachers Association president Monday, speak of the value of PTA activities.

Principal Gilles said she hopes parents who haven't yet regis-tered their children for first grade would come in before school closes June 7 so physical examinations can be completed this summer. Physical examination forms were distributed to pre-school parents by Nurse Ruth Ingram at Tues-day's meeting. School opens next fall on Sept. 12.
