Silverton's Voters to Choose Three School Board Directors

SILVERTON—Three directors on Silverton School boards will be elected at the regular election in June.

In 4-C, the elementary district, the term of Herman Goschie, now chairman, expires. Mrs. C. B. Callins, who with her family is moving to Pendleton, has resigned and a member will be elected to fill that vacancy. As yet, no candidates have filed.

In the Union High School board the term of John Plas expires, whether or not he will seek

re-election has not been announced. Final filing date is June 13. Nomination this year is to be by petition.

Work on the annual budget is being completed by both school boards with the help of the budget committees appointed by the respective boards.

Serving on the high school budget committee are Ralph Merr, Joe Vachter, Victor Hadley, Earl J. Adams and Eldred Caster.

The high school board has decided to ask the voters to approve a bond issue for \$190,000 for additional building purposes. Millage in the district is not expected to exceed that of this year, even with the retirement of both bond issues and interest on both, board members say.

The high school will be very short of space next fall, Principal Milton Baum states, and may possibly have to schedule an extra shift of class periods beginning at 8 a. m. until the needed space is provided.

A music teacher, Harold Beyer of Reedsport, has been hired for the high school to teach vocal and instrumental music. He will take the place of Justin Dyrud, who has asked for a year's leave to study at the University of Oregon.

The District 4-C budget will be about \$20,000 in addition to the \$362,000 which the district has received from the Union High School district for the sale of the high school building and property. Serving on this budget committee are Leo Lund, James Ekman, R. B. Mallorie, Kenneth Henum and Harlan Moe.

In the grade school, Lois Mulcahey of Salem has been hired to teach first grade and Mrs. Mary Reiling to teach primary grades at Evens Valley, a part of the Silverton system. Miss Olga Johnson, primary teacher, who has taught in Silverton for 30 years, is retiring. Mrs. Alma Swayze and Mrs. D. Williams have resigned and their places will be filled later.
