SHOE

Most vulnerable cereal was corn. It suffered its sharpest losses in several months as producers just about completed putting the new 22 FT. crop into the ground. Rains in the midwest got the crop off to a 2-BDR promising start.

Wheat closed the week 1 1/8-2 MUST lower, corn 2 %-4 % lower, oats 1 Silve to 1 1/4 lower, rye unchanged to 2-BDR ed. 1 1/4 higher, soybeans 1 1/4-3 1/4 low-NEW er and lard 18 cents lower to 20 quir cents a hundred pounds higher. FOR S sq. fan

Stock Market Heads Higher

NEW YORK UP - The stock market headed upward this week with a determination that raised the question in Wall Street-is the traditional summer rally under way?

With only a slight extra push, the market could answer that question itself with a move to a new record peak.

On the other hand, it would take quite a depressing shove to send Dial the market off again into its old reaction pattern of recent weeks.

The whole question has been clouded for this week at least by the three-day recess over Memorial Day Monday when all security and commodity markets will be closed.

The Associated Press average of 60 stocks this week gained \$1.40, the second straight weekly rise.

Parking Proposal Made at Portland

PORTLAND UN - Francis E. Young, president of a San Diego construction firm, Friday proposed to Mayor Fred Peterson construction of a 300-unit underground parking garrie in the south Park Blocks of downtown Portland.

He asked that the property be
