Silverton School Board Posts Get Little Competition

SILVERTON—So far as school authority knew Monday, only one petition for three vacancies on the two Silverton school boards was in circulation.

Two of the vacancies will occur on the grade school board, 4-C. The term of this year's chairman, Herman Goschke, expires. Mrs. C. B. Calkins, who has served one year, has resigned because she is leaving town. A petition began circulation Saturday for the re-election of Goschke.

On the Union High School board, the term of John Plas, Scotts Mills, who was elected for one year last June, will expire. Whether or not Plas will seek re-election was not known here Monday.

Juvenile Post Slated for Polk

DALLAS—Polk county will get a full-time juvenile officer under provisions of the 1955-56 budget recently prepared by the budget committee.

County Judge Calvin Barnhart said approximately \$5,000 was approved for this purpose. To be published June 9, the budget will call for a public hearing on July 1.

A request for the juvenile officer was made a week ago by a delegation of 30 representatives from various organizations throughout the county.

Seventeen blocks are included in this year's program which calls for curbs, sidewalks, grading and paving. More than a month will be required to finish the job.

First phase includes five blocks of Oakdale avenue east of Fairview. This will be followed by work on Oregon avenue and a section in the east portion of town.
