PREFER HANES!

1 yr. Guarantee
and NYLON reinforced to
give you even greater wear!

All Hanes undershirts and briefs are now nylon-reinforced to give them a big bonus in strength . . . without reducing the softness and absorbency of combed cotton. Remember, too, Hanes fits right, never sags or stretches. Special finishing process makes them sparkle whiter than white through repeated washings. Next time you need underwear, remember Hanes . . . and the next time you shop for underwear . . .
