Marion Farm Tour Will Be Held Friday

By **LILLIE L. MADSEN**
Farm Editor, The Statesman
Marion County livestock and pasture folk will hold their annual tour on Friday, reports Ben A. Newell, Marion County agent, who is making arrangements for the event.

The tour is being held somewhat later than in former years, but, as Newell points out, the season is considerably later than usual, too.

The visiting will start at 12:30 p.m. at the home of Joe and Rose Wilhelm six miles north of Salem on the River Road. The farm, long famous for its swine and horses, lies just one mile south of Hoppers, in addition to the swine and horses, an interesting pasture and housing management program will be seen.

Leaving the Wilhelm farm at 1:30, the tourists will go to the Brentford Miller, Jr., ranch two miles northeast of Fairchild. The same farming projects will be viewed here but under a somewhat different set-up, Newell explains. The Brentford Millers have long been widely known for their swine projects.

At 2:30 the journey goes on to the Jack Hooper farm, between Woodburn and West Woodburn, near the new overpass. Grass has been one of Hooper's big interests and this, together with his sheep and pasture management, will be described to those who make the trip.

One more stop has been planned for the afternoon. This will be at the Elmer Jeskey farm near Aurora, and is scheduled for 3:30 to 4:30. The Jeskey farm lies one mile north of the Donald 99 Express crossing, on a gravel road.

A bunker self-feeding silo is expected to top the interesting program planned for this stop. Beef cattle is the farm project and the pasture and corrals have been well planned, Newell reports.

Anyone interested in sheep, beef cattle and swine or in general pasture management is invited to come along, Newell says.

New trustees include: Dr. Richard J. Walton, Winnipeg; Dr. Tyrre T. Hutchens, Portland; Joseph P. Nealen, Spokane; and William H. Hanna, Bremerton, Wash.

Silverton Man Found Dead At Residence

SILVERTON — Charles Henry Ponder, 70, was found dead at his home Saturday night and Ernest Ekman, Silverton mortician, placed the time of death at last Monday.

The body of the retired carpenter was found by his daughter, Mrs. Hilda Gillies, who had come to visit him at his home at 810 S. Water St., where he lived alone. Death was attributed to natural causes.

Ponder was born July 21, 1884, in Canada. He came to Silverton 37 years ago.

Survivors, in addition to the daughter, include a son, Fred Harold Ponder of Seattle, Wash.; sister, Mrs. Hannah Romney of Canada; brothers, William of Flint, Mich., and Adam of Vancouver, B.C., and one grandchild.

Funeral services will be held Tuesday at 2 p.m. at the Memorial Chapel of the Ekman Funeral Home with interment at Miller's Cemetery. The Rev. George Swift of Salem will officiate.

HAPPY FATHER'S DAY

Brooks — Earl Ramp, 40, former Brooks resident who moved to Alaska five years ago, Sunday placed a half-hour long Father's Day call to his parents, Mr. and Mrs. Willard Ramp, Brooks Route 1. Earl Ramp is manager of an Anchorage, Alaska, sporting good store.

Greater Auto Sales Effort On Forecast

DETROIT, Mich. — A stepped-up sales effort will be one immediate aftermath of the newly negotiated agreements between the major car producers and the CIO United Auto Workers.

The drive will come both from the manufacturers and the car retailers. The car makers are in the midst of the hottest competitive fight in their history. They want the greatest possible volume of retail deliveries. They have the largest inventories on record.

It is fairly well agreed in trade circles many retailers stocked up on new cars in anticipation of a prolonged strike.

But the large stocks may prove a profit opportunity for many of them.

What the new management-labor agreements will mean to car buyers still is a major question in trade circles.

Already new car salesmen reportedly are passing along the word: "Buy now before the price increases come."

Most retailers apparently expect price increases with the introduction of 1956 model cars.

Generally the over-all market appraisal appears to promise a continuing high volume of new car sales until current inventories are brought into line with normal requirements.

The prices at which new cars presently are being sold is largely up to the retailer himself.

Few cars are being sold at full list price. Price concessions have been given for many months. Most car buyers expect them.

Discounting probably will continue.

Generally, most of the car makers insist their retailers have considerably less than a normal stock of new cars on hand.

But the overall stocks are the heaviest in history. And there probably never will be a time when units of comparable value will be available at comparable prices.

Salem Apprentice Wins in Contest

James D. Goetzinger of Salem was winner in a state-wide contest for third-year plumber and pipe-fitting apprentices at Oregon State College Saturday.

Robert Mentzer of Salem was runner-up in the fifth-year apprentice contest, sponsored by the State Pipe Trades Apprenticeship committee. The contests included eight hours of such activities as pipe cutting, joint calking and a written examination on the technical phases of plumbing, heating, industrial piping and refrigeration systems.

Both Mentzer and Goetzinger are apprentices with Salem plumbing firms.

About 60 million Americans are under 20 years old.
