S.P.'s unique Dome Lounge Cars now on the **Shasta Daylight**

When you step inside our new Dome Lounge Car, all glass-covered—open to the heavens from stem to stern—we think you'll say it's the most sensational thing on wheels you ever saw. It's different from any other dome car ever built. It has two levels—both under glass—for lounging, refreshments and sight-seeing.

This car further enhances the beauty and conveniences of the **Shasta Daylight**, already one of America's most popular trains. You'll enjoy its chair cars with sponge-rubber seats and huge "Skyview" windows, its fleet diesel-powered schedule between Portland and San Francisco which shows you close-up views of the high Cascades, Mt. Shasta (14,161 feet), the Sacramento Canyon—all by daylight.
