Year Around School Idea Draws Fire

DANBURY, Conn. UN-The Danbury News-Times said editorially that there may be something to the idea of year-around schools. Seventh grader Carole Gallo, who disagreed, quietly went into action, and with some friends circulated a questionnaire among fellow pupils, teachers and parents. In a long letter to the editor, Carole said that: 37 of 46 parents interviewed opposed year-around school, 8 of 13 teachers interviewed opposed it and all 123 pupils interviewed were against it
