Modern Etiquette

Q. Is it really good form to eat popcorn or candy during the progress of a motion picture?
A. This is a difficult one to answer. The popcorn and candy concession is an institution in today's theater. What you should do is to try to avoid as much as you can the annoying rattle of paper and audible munching of your food.
Q. When a man is taking guests for an auto ride, who pays the bridge and special highway tolls?
A. The host usually pays these. However, if one of the guests has the correct change and the toll booth is on his side of the car, he may pay.

Peron Sure Government Still Strong

SANTIAGO, Chile (UP)—Argentine President Juan D. Peron stated Saturday his government was not weakened by the abortive revolt of Roman Catholics in Buenos Aires June 16.

In an interview with former Chilean Senator Maria de la Cruz, Peron also declared that he is still a Catholic despite his excommunication by the Vatican, which he said, was prompted possibly "by obfuscation or lack of information."

The interview was recorded at Peron's headquarters in Buenos Aires and transmitted today by Radio Corporacion de Santiago. The Argentine leader branded the organizers of the bloody revolt as "cowards." He said that "to kill General Peron is the easiest thing in the world."

Peron added that the only problem in Argentina today is the clerical controversy. "Peron was not elected by the Pope or any other authority," he stated emphatically. "He follows only the dictates of his people."

WASHINGTON (U)—The National Labor Relations Board Sunday said Oregon Frozen Foods Co., Ore-Ida Potato Products Inc. and Oregon Industries Corp. had been guilty of unfair labor practices and should compensate six employees.

The NLRB said the three firms had discharged or laid off employees because of union activity. It ordered reinstatement and compensation for Arthur Beer, laid off Aug. 14, 1934.

Compensation was ordered for Ruth Harp, Alice Lopez, Mary Owen, Glee Plamer and Dean Ray, all of whom the NLRB said were discharged for attending meetings of the AFL International Teamsters, Chauffeurs Warehousemen and Helper of America, Local 900.

The firms were also ordered to cease interfering with employees or coercing them from joining a union.
