## Steeple Back on North Church Hills Creek,

BOSTON—A new 50 foot steeple was hoisted to the top of historic old North Church here Wednesday—less than a year after it was wrecked by hurricane Carol. It was the second restoration in the landmark's 215-year history. The windows from which the warning lanterns flashed their signals to Paul Revere to announce the coming of the British in 1775 were saved, and other ancient woodwork, are being built back into the restored steeple.
