Jackson Rated to Beat Charles in 10-Rounder

CLEVELAND (AP)—Tommy (Hurricane) Jackson was a 6-5 favorite to spoil former heavyweight champion Ezzard Charles' hopes for a comeback when the two battle at the arena here Wednesday night.

The 10-rounder, to be carried nationally at 8 p.m. PST on ABC radio and television network, is one which the 34-year-old Charles, now sixth - ranking contender, must win to keep alive his ring ambitions.

Donovan Wins Armory Match

Claybourne Debuts By Topping Lenz

"Dirty Doug" Donovan and the veteran star Jack (Black Panther) Claybourne copped the victories in last night's double-main-event mat program at the Armory.

Donovan dumped Catalina George Draks in their grudge rematch and Claybourne, the heavyweight champion of Australia and Hawaii who was making his local debut, took a straight-falls nod over Henry (Adonis) Lenz, wrecking the latter's recent climb to the top of the wrestling heap hereabouts.

Drake got the first fall in his match by catching Donovan on the rebound during a flying-tackle attempt, flipping him over and downing him. Donovan got even in the rugged brawl by using reverse body slams, with a couple of knees to Drake's throat.

Donovan repeatedly worked in Drake's leg in the final fall, eventually gaining an "uncle" with a stepover toe hold.

Claybourne was a sensation in his debut. He won the first fall on a disqualification when Lenz refused to break a nelson hold, in the ropes, before the top of "five" by Referee Thor Hagen.

Then, using bouts of class and finesse Claybourne took all the rough stuff Lenz offered, butted the muscular blond twice and flattened him with a reverse shoulder hold.

Claybourne made a big hit with the fans. He's big, active and has plenty of savvy. Furthermore, he'll be around for awhile. In the prelim Ivan (Kimer) Kamaroff used his hangman's hold to gain the only fall in his go with Gory Guerrero, which didn't go at all well with the customers, and Luigi Macera spilled John Arjon with two terrific body slams and a half-crab hold for the only fall.

September—the choicest month in sports—is just around the corner. Fans will have their fill of baseball, boxing, football, golf, tennis and horse racing.

The major league baseball season ends Sunday, Sept. 25 and the World Series will start on the 27th or 28th, depending on what American League team gains the right to face the Brooklyn Dodgers who have made a runaway of the National League race since back in April when they won their first 10 games.

The Series this year will see the first two games being played in the American League city.

In boxing, unbeaten Rocky Marciano will seek his 49th straight victory when he puts his heavyweight championship against his persistent challenger, light heavy champ Archie Moore, in Yankee Stadium on Thursday night, Sept. 20.

Rocky is inclined to feel lucky about fighting in September for it was in that month in 1952 that he knocked out Jersey Joe Wal-

(Continued from preceding pg.) time in 1954 is George Belotti. He'll be at left tackle.

Two junior college transfers, Hank Schmidt and Fabian Abram, looked good at the other tackle spot during spring drills. Schmidt, from East Los Angeles, weighs 237, and Abram, 220, is from El Camino.

Orlando Ferrante and George Galli are back for front line guard duty but the Trojans have a reserve problem. It could be solved by John Miller and Laird Willott, both lettermen. Dick Enright, another letterman at guard, has been shifted to the depleted tackle corps.

It remains doubtful that Marv Goux will be sufficiently recovered from a back operation to see service at center which leaves the position to veteran Vern Sampson and newcomer Karl Rubke. The 210-pound Sampson played 200 minutes last fall. Rubke, 225, is a sophomore.

The Trojans open against Washington State here on Sept. 17 and Coach Hill cautions that the Cougars could be the surprise team of the conference. After that game, in order, come Oregon, Texas, Washington, Wisconsin, California, Minnesota, Stanford, UCLA and Notre Dame.

It would surprise no one if that UCLA game decided the conference championship.

Cardinals Ink WSC Pitcher

LEWISTON, Idaho (AP)—Ron Webb, right-handed ace of the Washington State College pitching staff, Tuesday signed a professional baseball contract with the St. Louis Cardinals of the National League.

The Lewiston youth will report to Omaha in the American Assn. a Cardinal farm club, for the 1956 season.

Tom Governor, West Coast scout wouldn't reveal exactly how much Webb had received for signing.

"It's about as high as you can go without making him a major league bonus player," he admitted.

Webb pitched this summer for the North Bend Packers in the Oregon semi-pro league. He had one more year of eligibility at WSC.

Jockey Takes Riding Honors for 3rd Year

SEATTLE (AP)—Merlin Volzke of Orange, Calif., has become the first jockey ever to win top riding honors for three years at Longacres.

With 60 winners and six days of racing to go, Volzke's wide lead assures him the 1955 laurels. He is 22 winners ahead of the runner-up, Grant Zulfelt of Enumclaw.

Volzke, who was top rider at Longacres in 1947 and 1948, shared the two-season laurels with four other jockeys.

U.S. Amateur Round Begins

Yost Withdraws, Don Cherry Ousted

By THE ASSOCIATED PRESS Three members of the United States Walker Cup team failed to qualify for the 1955 National Amateur Golf Championship in the sectional qualifying rounds and Britain's lone representative dropped out Tuesday.

Crooner Don Cherry of Garden City, N.Y., and Wichita Falls, Tex., Jimmy Jackson of St. Louis and Dale Morye of Indianapolis, all members of the amateur team which whipped Britain's best last spring, failed to make the grade in their districts. Another Walker Cupper, Dick Yost, decided not to compete at Seattle Monday because he couldn't make the trip to the main event at Richmond, Va., Sept. 12-17.

Phil Scrutton, British Walker Cup star who came to America for a few tournaments, was scheduled to qualify at Philadelphia but instead sent word that he had to fly home. Canada's amateur champion, Moe Norman of Kitchener, Ont., also failed to appear.

Cherry Cards 155 Cherry, playing at New York, shot a 36-hole score of 155, far beyond the qualifying range. Jackson missed by one stroke at St. Louis with 153 and Morye, after a seven-over-par 78 for his first round at Evanston, Ill., didn't turn in an afternoon score.

Three members of the U. S. team did qualify, however, although they didn't threaten the top qualifying score of 132 posted by long-hitting young Hillman Robbins at Memphis.

Billy Joe Patton fired rounds of 67-69-136 at Greensboro, N. C., team captain Bill Campbell shot 72-68-140 over his home course at Huntington, W. Va., and on Monday Bruce Cudd of Portland, Ore., posted 140 at Seattle.

Leading scorers in the early-reporting districts Tuesday were Joe Campbell of Anderson, Ind., the 1955 national collegiate champion from Purdue, and George P. Swift Jr., of Columbus, Ga., with 36-hole scores of 141. Campbell, shooting over the par 70 Camargo Course at Cincinnati, had rounds of 72 and 69. Swift shot par 70 then 71 at the Montgomery, Ala., Country Club.

Neither of them matched the 140 total posted by Walker Cupper Bruce Cudd of Portland at Seattle Monday.

Dawson Leads Field John Dawson, 32-year-old Napa, Calif., real estate broker, however, turned in a 71-67-138 Tuesday to lead the northern California qualifiers.

More than 1,400 golfers took part in 187 qualifying places in Tuesday's sectional rounds. Two other places were filled Monday and 11 players were exempt from sectional qualifying.

The amateur this year drew a record entry of 1,507 and only 200 can play in the tournament proper. All former U. S. and British amateur champions and the current public links and USGA junior champions are exempt. Arnold Palmer, last year's winner, has turned pro and will not defend his title.

Two rather prominent amateurs had narrow escapes from elimination. Don Bispinghoff, the young Floridian who went to the quarter finals of the British amateur last spring, and Frank Souchak of Oakmont, Pa., brother of pro Mike Souchak and low amateur in the 1953 U.S. Open, won their places in sudden death playoffs.

Souchak eliminated Ed Martin of Winchester, Mass., a quarter-finalist last year, on the second extra hole at Brookline, Mass., after each had shot 150s.

Taking second place behind Braun was Clyde Moud. Richard McCready, Cottage Grove, won third place.

Twenty-four Willamette Valley entrants completed.

Cairo to Build Huge Stadium for Olympics

CAIRO (AP)—A \$7,000,000 stadium will be built in Cairo in the hope that 1964's Olympic Games will be held here. The stadium and its adjoining Olympic City will cover 150 acres.

It will be constructed by Warner Marsch, German engineer who built the famous Berlin Stadium.

Tennis Foes To Meet Again

Davis Cup Stars Slate Singles Test

FREESTON HILLS, N.Y. (AP)—If the national tennis championships, opening Friday, follow the prescribed form, Tony Trabert and Vic Seixas will get a chance to avenge their first day defeats in the Davis Cup challenge round.

The draw Tuesday placed Trabert, Wimbledon champion, in the same half of the draw with Australia's Lewis Hoad and the defending titleholder, Seixas, opposite his longtime foe, Ken Rosewall.

That means, barring a fracture in the seedings, these young men will battle it out again in the tournament's semi-finals on Saturday, Sept. 10.

Trabert Top Seed Trabert was seeded No. 1 in the domestic list ahead of Seixas, who has been fighting a prolonged slump. Rosewall, who holds the Australian championship, was rated No. 1 among the foreigners although Hoad was the more impressive in Davis Cup play.

The steady, sharpshooting Rosewall is the favorite for the title because he seems at the moment to have the best blend of condition, shots and temperament.

The two American aces, oddly, drew a pair of Britishers in their opening tests.

Trabert will meet 21-year-old Roger Becker in the first round Friday. Seixas, who got an opening bye, has a second round date with young John Barrett.

Richardson Next Seeded behind Trabert and Seixas, in order, were Hamilton Richardson, Gil Shee, Eddie Moylan, Art Larsen, Bernard Bartzen and Herbie Flam. The foreign list behind Rosewall and Hoad has Kurt Nielsen, the big Dane who was runner-up to Trabert at Wimbledon, at No. 3; then Rex Hartwig of Australia, Enrique Morea of Argentina, Neale Fraser of Australia and Kosei Kamo of Japan.

The women's list was headed by Doris Hart of Coral Gables, Fla., the defending champion who plays Ruth Jeffery of Melrose, Mass., in the first round. No. 2 was Wimbledon champion Louise Brough of Beverly Hills, Calif., who plays Carol McCord of Washington, D.C.

Daddy's Last

Was Babe Ruth

COOPERSTOWN, N.Y.—Daddy Vance, whose speedball helped him lead the National League in strikeouts from 1922 through 1928, is proud of the fact that the last batter he faced for pay was Babe Ruth.

"I walked the man ahead of him just to face the Babe," said Vance who is the only former Brooklyn Dodger with a bronze plaque in baseball's Hall of Fame.

"It was in 1935 after I had ended my career with the Dodgers. I was pitching for the Bushwicks (a Brooklyn semi-pro team). I'd pitch three innings on a Wednesday night, three on a Friday night and the first six in the first game of a Sunday double header.

"Ruth always played against the Bushwicks with a group of minor leaguers, sometimes with major leaguers when the season was over. Well, this Sunday it was two out and the last of the sixth. We were leading 3-1.

"I walked George Andrews on four pitches just to pitch to Babe. A home run would have tied the score. Luckily Ruth popped up."

The only thing that bothered Vance was the reaction of Andrews whom he met the following spring in Florida. Says Daddy: "Andrews went around bragging that he was the only man living who was walked on purpose so a pitcher could get to Babe Ruth."

White Sox Top Boston, Gain AL Lead; Yanks Fall to A's

(Continued from preceding pg.) Red Sox to three hits over the last five innings for his seventh victory in 10 decisions.

A solo home run by Hector Lopez in the fifth spilled the Yanks at Kansas City. The big blow, off Bob Grim, the third and losing New York hurler, broke up a 3-3 tie.

Alex Kellner picked up his 10th victory, checking the Yankees on five hits.

Giants Recall Four Pitchers

NEW YORK (AP)—Four bright pitching prospects were among the seven players recalled by the New York Giants from their top minor league farm clubs Tuesday.

None of the players will report to the Giants until next spring since all will be involved in the playoffs for the championship of their respective leagues.

The four pitchers are Allan Worthington (19-9), Jim Constable (11-9), and John Margoneri (8-5) of Minneapolis and Pete Burnside (18-10) of Dallas. All are left-handers with the exception of Worthington.

The others include outfielder Lennon and infielder Foster Castleman of Minneapolis and outfielder Eric Rodin of Columbus, Ohio.

Golfers Seek Flood Relief

NEW YORK (AP)—The chairman of the President's Appeal Flood Relief Committee urged Tuesday that the nation's golfers be enlisted in the "National Sportsman's Crusade" to help raise money for the American Red Cross flood relief program.

Lee Coffey of Great Neck, N.Y., sent a telegram to President Eisenhower, a devoted golfer himself, and to Joseph C. Dey, executive director of the U.S. Golf Assn., suggesting a series of tournaments throughout the country for that purpose.

Pat Lesser to Receive Ticker Tape Welcome

SEATTLE (AP)—Pat Lesser, Seattle University co-ed who won the U.S. Women's Amateur Golf championship last weekend, will be greeted Wednesday morning by a "ticker tape" welcome as she arrives here.

A civic welcome ceremony is planned in Victory Square with a host of city dignitaries on hand.

MVP Award Goes To Montreal Man

MONTREAL (AP)—Glenn (Rocky) Nelson, Montreal Royals' first baseman, was announced as the International League's most valuable player for 1955 Tuesday.

Nelson was first choice of 21 of 28 voting sports writers. Archie Wilson, Toronto Maple Leafs' outfielder, placed second.

Nelson, 30-year-old native of Portsmouth, Ohio, currently leads the league in hitting with .360; home runs with 34; runs batted in with 123, and runs scored with 109. He is the first player to win the distinction twice in the 24-year history of the award. He won first in 1953.

Hartack Fails to Gain In Lead Over 'Shoe'

CHICAGO (AP)—Willie Hartack failed Tuesday to add to his lead over Willie Shoemaker in the race for national riding honors.

Shoemaker, who will ride Swaps in the \$100,000 match race against Nashua, Wednesday canceled his mounts.

Hartack, who leads Shoemaker with 271 victories to 267, failed to boot home a single winner Tuesday.

Hartack rode the Canadian horse, Quality Quest, which won the \$20,000 added Longacres mile in new track record time at the Longacres track near Seattle Sunday.

Soccer Referee Dies From Heart Ailment

SANTIAGO, Chile (AP)—Paul Iglesias, 37-year-old Argentine soccer referee, dropped dead Tuesday while he was officiating a match between league leading Palestino and Magallanes.

His death was attributed to a heart attack 30 minutes after the game started. The match was suspended.

Porter Is Mystery To Tiger Boss

NEW YORK (AP)—It's a mystery what happened to J. W. Porter as a hitter, says Detroit Tiger Manager Buck Harris. A sensation in the Florida camps last spring, Harris says Porter "couldn't hit when the season opened."

Harris had planned to play Porter in left field. He also tried him at first base.

"We decided to send him to Little Rock to see if he could become a first baseman and regain his hitting touch," says Harris. Porter started out in baseball as a catcher.
