Fire Damage Estimated at Near \$50,000

By JERRY STONE Staff Writer, The Statesman

Flames feeding on hundreds f pounds of clothing caused an estimated \$50,000 damages Wednesday night at the Salem Laundry Co., 263 S. High St.

Firemen reported the fire ap-parently started about 9 p.m. in the laundering section of the concrete structure and spread swiftly through equipment and stacks of clothing. Spared were the drycleaning department and the main office housing safe, records and packaged laundry ready for delivery. Some damage was done to the bookkeeping office.

Loss Covered

Van Weider, owner of the firm, indicated the loss was covered by insurance. Damage was confined mainly to the interior of the building and its stacks of

When firemen from central station reached the scene flames from the fast-traveling blaze already were licking through windows of the firm and chewing at a front marquee. The fire was reported under control about 9:45

Dense Smoke

Dense, smoke on the interior added to firemen's problems and forced use of oxygen inhalators. No injuries were reported though an element of danger was added when a transformer pole in the rear alley erupted in flame and sent two power lines dropping into the alley.

The burning power pole caused firemen to request the Portland General Electric Co, to turn off power temporarily.

Chief Ellsworth Smith ordered laundry complicated the task of
