## South River Road Section Re-Opens

Contractors laid some 2,000 feet of sidewalk in less than six hours Monday to complete a paving project along South River Road in Salem. Central Paving Company developed a special grader attachment to speed the work which they say has saved the city about \$300. The adjustable attachment spread the asphaltic concrete in sidewalk forms where it was rolled by a one-ton narrow-gauge roller. The newly-paved section of the road was re-opened to traffic Monday night. The section had been closed for about a week. (Statesman Photo.)

## Board to Hire Architect for New School

Salem School Board members plan to select an architect at tonight's meeting to begin preliminary planning for a third junior high school in the district.

The agenda also calls for a report from Supt. of Schools Walter Snyder on equalizing of class loads at various schools. Snyder also expects to request establishment of a program for gifted children and authority to place a special class at Leslie under the state program for handicapped children.

Board members will also give final consideration to a request from the Middle Grove Community Club for a right-of-way across school property as well as a request from a private party to purchase a 15-foot strip of school property.

## Stolen Vehicle Found Overturned in Ditch

A car previously reported stolen was found upside down Sunday in a ditch near Hansen Avenue and Crestview Drive, city police said. All four wheels had been removed.

The 1947 Dodge coupe was taken recently from its owner, James J. Burke Sr., 3497 Roberts Ave.

## Tax Men Told Rapid Price Hikes Due

George W. Mitchell, vice president of the Federal Reserve Bank of Chicago, told tax men Monday that prices would increase more rapidly than in recent years, and that minor business recessions are likely.

But he said there is little chance that the country would have a major depression.

Depressions are unlikely, he said, because of the government fiscal policies and controls.

Mitchell addressed the opening session of the three-day annual meeting of the Western States Association of Tax Administrators, and also spoke to Salem Chamber of Commerce at its noon meeting Monday.

About 250 tax administrators from the 11 western states are attending.

The delegates spent the afternoon in section meetings on the various kinds of taxes. The discussions were highly technical.

Gov. Paul Patterson told the delegates that the greatest tax inequities are found in the appraisal of property. He said Oregon is trying to solve this problem by reappraising all property.

Gov. Patterson also said Oregon should have all of its revenue collections centralized under a single revenue department. Section meetings were on sales,
