Matson's fumble on the Giants' 25, one of the six Cardinals committed, was recovered by Walt Yagorsky and set the stage for Agajanian's field goal which gave the Giants a 3-0 lead late in the first quarter.

The key play of the drive was a 45-yard pass and run play from Conery to Webster that put the ball on Chicago's 13. After three futile attempts to gain, the Giants settled for the three-pointer from the 28.

Offense Clicks After a fruitless second period during which both sides were bogged down by the slushy going, the Giants finally managed to unleash an offensive march in the third quarter that resulted in a score.

In six plays they covered 63 yards for a touchdown with Gifford racing around his right end from the six for the six points.

An unidentified tackler is shown putting the stop on Garrison. Others in the photo are Bill West (39), Jerry Bristow (25) and Don Paulson (26) of EOCE, and John LaFountain (45) of the Wolves. Others are unidentifiable. The win was OCE's fourth straight in an undefeated season to date. (OCE photo.)

Carter Favored to Regain Ring Title

Smith Hopes To Upset Odds

By JACK HAND THE ASSOCIATED PRESS

Jimmy Carter, the "now and then" champion, is favored to win back the world lightweight title for the third time Wednesday at Cincinnati against Wallace (Bud) Smith who dethroned him, June 29, at Boston.

Carter wins and loses the crown with such alarming frequency that many boxing fans didn't even know he had lost it to Smith, a 26-year-old body puncher who was born in Cincinnati.

Making the 135-pound weight limit may be a chore for both boxers, Smith in particular. The champ is a solid left hooker with a 32-12-5 record for 49 fights.

Carter, soon to be 32, also is a body thumper who usually starts slowly but wears down his man in the late rounds. In 98 fights, Carter has a 79-19-9 record.

Amazing History Carter's title history really is something. Here's the dope: Ike Williams, KO 14.

May 14, 1932—Lost it to Lauro Salas, decision 15.

Oct. 15, 1932—Won it back from Salas, decision 15.

March 5, 1934—Lost it to Paddy de Marco, decision 15.

Nov. 17, 1934—Won it back from De Marco, KO 15.

June 29, 1935—Lost it to Smith, decision 15.

Although the betting odds usually stick with the champion, in this case it is no surprise to find Carter the 8 to 5 favorite. The 15-round match will be carried on network television and radio (ABC) with Cincinnati blacked out on TV.

Towne Returns Artie Towne, a New Yorker who had to go to England to attract attention after a three-year "retirement," tops the Monday show at St. Nicholas Arena in New York with Milo Savage of Salt Lake City, ranked No. 9 in the middleweight class.

Towne stopped John L. Sullivan, former British Empire middle champ, in 43 seconds, Aug. 11 and flattened Peter Mueller in Berlin Sept. 9, only to have the bout declared "no decision" after a disqualification was reversed.

Vince Martinez, ranking welter contender, gets back to work under his old manager, Billy Daly, Monday at Providence where he boxes Lester Felton of Detroit.

Daly Optimistic Daly, who signed a new five-year contract with Martinez, father and son, to end their bitter feud last week, claims handsome Vince will be fighting for the title by June.

After weeks of waiting while the ice show and the rodeo occupied Madison Square Garden, boxing returns Friday with Isaac Logart of Havana and Gil Turner of Philadelphia. Logart has been making progress in the small clubs as a welter contender while Turner now is a middleweight.

Orioles Trade With PCL Club

BALTIMORE (AP)—The Baltimore Orioles said Sunday they have obtained from Vancouver, B. C., of the Pacific Coast League the services of 24-year-old Fred Besana, left-handed pitcher.

No cash was involved, the Orioles said. They sent Carl Povis, right-handed hitting and throwing outfielder to Vancouver for Besana.

It was the first transaction since the new working agreement between the two teams was announced last Thursday. Vancouver is slated to take over the Oakland franchise in the league.

Besana had a 6-10 record with Oakland, striking out 104 and allowing 127 hits in 146 innings. Povis played with San Antonio in the Texas League and with Portland in the PCL last year, hitting .263.

Boise JC Wallops OTI Club 50 to 0

KLAMATH FALLS (AP)—Boise Junior College and Oregon Tech played on even terms through a scoreless first quarter but then the Idaho team ran wild and defeated OTI 50-0 in Saturday night's non-conference football game.

Boise had eight touchdowns with a different player scoring each time. Campbell Boat Sinks in Lake

(Continued from preceding page.)

set of 202.32 which Campbell set on Lake Ullswater in England last July.

The jet propelled boat was clocked at 147.179 miles per hour on the first run over the mile course and 162.822 on the second.

Campbell told newsmen after the first run that any attempt at a new record was hopeless. "There are enormous swells on the lake even though you can't see them," he said. "They are too much."

A nationwide television audience did not see the speed runs. They were supposed to be a featured part of the NBC program "Wide World."

But the first speed run was made before the TV cameras were trained on the craft and on the second run a flameout delayed the boat's try and by the time Campbell got the Bluebird going again this portion of the TV program had ended.

Campbell Dubious A flameout means that the jet engine dies.

Even before the speed runs Campbell was dubious that he could break his old record with the 26-foot hydroplane that weighs 2 1/2 tons. There were scores of pleasure craft cruising on the lake before the runs and they kicked up waves, contributing to the swells on the lake.

The boat was being towed to the dock when it started to sink, taking about 4 to 6 minutes to go down. Campbell's press representatives said it was believed that a leak caused the boat to sink to a point where the large tail pipe dipped into the water. This swamped the Bluebird.

Campbell crawled out on the nose of the boat in attempt to balance the craft and keep the tail pipe out of the water. But he didn't succeed.

Star Yankee Weightlifter Breaks Record

MUNICH, Germany (AP)—America's star heavyweight Paul Anderson won the world weightlifting title here Sunday night with a fabulous new world record of 1,130 pounds for the Olympic triathlon.

The 22-year-old student from Toccoa, Georgia, thus bettered the official world record held by American Norbert Schemansky by 66 pounds.

Jim Bradford of Washington, D. C., was second with 1,047 pounds and Finland's Eino Maekinen placed third with 932.

But Russia athletes, who did not compete in the heavyweight class, ran away with the big award of the five day festival, "the prize of nations" for the best team.

Americans Second Russian lifters collected a total of 29 points while the United States was second with 25.

Points were awarded five for first, three for second and one for third place.

The Russians won their last five points in the middleweight division earlier Sunday when Arkadii Vorobiev took the world title with 1,004 pounds, followed by Clyde Emrich of York, Pa. with 942.

But the thrill of the evening was the fight of the heavyweight giants with Paul Anderson easily stealing the show. Whenever he came on the platform to make a lifting attempt, the 4,000 fans went wild.

Record Shattered Anderson started the competition with a new world record in the press when he lifted 410 pounds to better his own world record by seven pounds.

His later attempts to also break the world records in the snatch and the clean-and-jerk failed, but he still came away with a new triathlon record which very likely will not be broken soon unless by Anderson himself.

Whitman Defeats EOC by 27 to 15

WALLA WALLA (AP)—Three third-quarter touchdowns were the clinchers Saturday night as Whitman defeated Eastern Washington College, 27-15, in a homecoming football game.

The Missionaries marched 35 yards and George Sullivan plunged over from the one to open the scoring in the second quarter and gain a 7-2 halftime advantage.

Tom Garrett then scored twice in the third quarter and Sullivan once to sew up the tilt.

With the count 27-2 in the final period, the Savages scored twice on passes against Whitman reserves. Ron Sperber hauled in one for eight yards and Dewey Van Dinter took in another good for 22 yards.

Eastern gained a safety late in the second quarter when Whitman quarterback Gil Bellows was tackled in his own end zone.

UCLA Huskies Still Top PCC

(Continued from preceding page) that Stanford had pointed to this game "almost to the point of becoming a crusade."

Troy Wins Prestige Best prestige builder of the week end was USC's walloping of Wisconsin. Many of the Badger State supporters thought that this year's club was the best ever fielded by Ivy Williamson but the Trojans, and especially Jon Arnet, were better.

Oregon's fast backs proved too exhausting for California at Portland.

The hapless Bears stopped two other Oregon drives on the four and eight yard lines else it could have been a real rout.

Frank Sarno, an ex-marine, helmed Washington State to its first win of the year against Idaho. The stocky quarterback kicked a 28 yard field goal and engineered a 67 yard scoring march.

Great Finish COP staged a Frank Merriwell finish in the last three minutes to eke the win over Oregon State. Fullback Lynn Swanson plunged two yards for the winning touchdown.

This week's card starts off with Iowa invading UCLA Friday night and follows with these Saturday games: USC at Cal; Washington State at Oregon State; Stanford at Washington and Oregon at Arizona (night).

Idaho is idle.
