ATLANTA (P)-Georgia Tech's football future hangs in the balance as the board of regents prepares to meet Monday amid a erescende of opposition to Gov. Marvin Griffin's attempt to prevent Yellowjackets from meeting Pittsburgh at New Orleans Jan. 2. Griffin has requested the board to prevent Tech from competing

Scientific theories are a constant target and even "laws" may become suspect, under questioning of eager minds. Newton's laws of gravitation and of motion were badly twisted by the quantum theory of Max Planck and researchers in what is called the new physics. But last month each of the two top "quality" magazines published in this country had articles from reputable scientists which pointed toward restoring to favor theories that had been tossed aside. Previously this column called attento "Other Worlds Than Ours" by Donald H. Menzel, di-His speculations on the led him to accept the "unitary hypothesis." Earliest proponents of this as the "nebular hypothesis" were Kant and LaPlace in

the 18th century.

The second article, in Harper's Monthly, by Prof. Loren C. Eiseley of the department of Anthropology, University of Pennsylvania, inquires: "Was Darwin vania, inquires: "Was Darwin Wrong About the Human Brain?" Darwin contended that the human being, including his brain, was merely the product of natural evolution which derived its incentive from the struggle for Reds Renew existence. His great colleague and co-discoverer of the principle and co-discoverer of the principle of natural selection, Alfred Rus- Demands for sel Wallace, however, finally rejected that hypothesis as far as the human brain is concerned Berlin Capital and, as Eiseley says, "turned in stead toward a theory (Continued on editorial page 4)

#### Death of Lyons Resident Mars State's Record

Statesman News Service

LYONS - Richard A. Brown who received a concussion and broken leg when struck by a ear while walking along the road on Safe Driving Day, died Sunday in a Stayton hospital. He became Oregon's only S-D Day fatality.

His injuries were received about 6 p.m. Thursday on the Santiam Highway near Lyons. Driver of the car was listed as Donald Huber of Lyons, who said he was blinded by the lights of an approaching car. Area Farmer

A Lyons area resident more than 50 years, he had engaged in farming and logging before his retirement several years ago. He was born June 12, 1874, at Taylors Falls, Minn. He leaves a daughter, Mrs.

Agnes Brotherton, Lyons; a fos-ter daughter, Mrs. Maxine Hill, Mill City; a granddaughter, Mrs. Natalie Schradle, Salem; and two grandchildren and several nieces and nephews. Funeral services will be 2 p.m.

Tuesday in the Weddle Funeral Home chapel, Stayton. Burial vill be in Fox Valley Cemetery Four persons met violent deaths

which covered some 52 miles in the Salem and Polk County areas. Approximately 20 cars of varying types, each containing driver and navigator, vied in the competition which started and finished at a sports car firm just south of the city. The event was sponsored by the Salem Sports Car Association.
